Do not allow skepticism or silly religious scruples to stand in your way.

Mrs. Dr. F. L. Hall is the distinguished, world famed and only natural trance clairvoyant and spirit medium in this country; seventh daughter of the seventh daughter, born with veil and greatest prophetic gift of second sight; while entranced will reveal every hidden mystery in life; has been pronounced in Europe and America the greatest living wonder of the present age; understands the science of the "Persian and Hindoo magic," ancient charm-working, and prepares Egyptian talismans which will overcome your enemies, remove family troubles, restore lost affections, make marriage with the one you love no failure; remove evil influences, bad habits; cures without fail, fits and all long standing and mysterious diseases; will give correct information on lawsuits, sickness, death, divorces, absent friends, everything; never failing advice to young men on marriage and how to choose a wife for happiness, and what business best adapted for speedy riches; stock speculation a specialty; recovers lost, stolen or buried property; locates treasures and minerals; also gives indispensable advice to young ladies on love, courtship and marriage. If your lover is true or is false. The mysterious and successful manner in which she treats matters of the utmost obscurity has given such universal satisfaction that her name has become a proverb in thousands of households made happy by her aid and advice. The fame that she has a standing challenge of $10,000 to any medium who can equal her in her marvelous revelations is sufficient evidence that she stands today without an equal in her line of business. Madame wishes it thoroughly understood that she is the only bona fide seventh daughter of seventh daughter of the present age and advertises nothing but what she can do and would not be classed with the many cheap pretenders found in every city. All who are in trouble, whose fond hopes have been blasted, who have been deceived and disappointed through false predictions of others, before giving up to despair are invited to call and be convinced of the truthfulness of the above without delay. Madame convinces the most skeptical, as it is a well known fact throughout the world since the days of ancient witchery that only a seventh daughter born with a veil can reveal the future correctly.

Hours, 9 a. m. to 8 p. m., strict.

Mrs. Dr. F. L. Hall, 322 N. 15th street, Omaha, Neb.

N. B.—A London paper, which champions Mrs. Dr. F. Hall, has the following to say:

"It seems difficult to imagine that a person so well known as Mrs. Dr. Hall is, could be counterfeited, but she is—some of the most brazen pieces of impudence ever conceived. Some persons, more knave than fool, taking advantage of Mrs. Hall's long stay in London, have been trying to deceive the people of America with the pretense that they are Mrs. Dr. Hall. This would not be as difficult as first imagined, as Mrs. Hall is known only in the United States by reputation, and thus many might so and consult one of these unprincipled imitators and go away with the impression that she was like the rest of the so-called trance mediums, and simply wondering how she could have gained her exalted reputation.

"These people actually had the audacity to quote in their bills and advertisements several of the press notices which have been given our distinguished Child-Medium, and the flagrant knavery to actually publish, as though it were speaking of them, the special commendatory letter of D. A. Cromwell of Edinburg. Not only has her name been copied, but her advertisements and flattering press notices have been copied from all sides in America by people who are not only ignorant to write advertisements for themselves, but who have not sense enough to realize crime in theft. Steps have been taken to find out to what extent the American laws will allow unprincipled people to trade upon a reputation gained by years of honest toil."
