The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

BLOCKADED

Every Household in Alliance Should Know How to Resist It

The back aches because the kidneys are blockaded.

Help the kidneys with their work.

The back will ache no more.

Lots of proof that Doan's Kidney Pills do this.

It's the best proof, for it comes from this vicinity.

John J. Lingle, Wayside, near Chadron, Nebr., says: "I first used Doan's Kidney Pills while living in Iowa several years ago. At that time I was having a great deal of trouble from backache and an almost constant soreness across my kidneys. If I caught cold, the complaint was aggrevated and I was unable to work. I took several remedies but was not benefited until a friend advised me to try Doan's Kidney Pills and I did so. They cured me and I had no trouble until I came here about a year ago. Doan's Kidney Pills benefitted me as before and it was not long before I was well."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
