AMUSEMENTS, TO COME.

Jan. 17.—Peak Family Bell Ringers.

A man that can't tell Benzine from Whisky—Well! We have our opinion of him.

White Rose, and Maple Syrup, at J. V. WECKBACH'S.

Remember the Ladies great LEAP YEAR party in the last week in January. The evening will be set next week.

James Keenan, a half brother to M. McGuire, has bought out the business of McGuire & Curtis, and will run the shebang after this.

Solomon and Nathan, one of the most energetic, and live advertising firms we have, come out in a whole column "Ad" this week, telling what they are going to do for next year.

Merges undersells the whole country in boots and shoes. Read price list and go and try him. 33-tf.

GRAIN HOUSE SOLD.

We call attention to the sale of the Greenwood Grain Company's Warehouse and fixings on Jan. 20th. Here is a chance for our enterprising young grain buyers, either here or elsewhere in the county. Now is your time to bid. See Sheriff's notice elsewhere.

NEW YEAR'S GIFTS.

Two well known citizens had bad luck about New Years. Mr. Schlegel wasn't able to get out of the house for several days after. MacDonagh's attack was not quite so severe, but he looked like a ghost for a whole week—They say it always works that way in "Leap Year." May it come to the HERALD on an odd year.—then!

NEW ICE HOUSE!

OPPOSITE THE POST OFFICE!!

On Vallery's Corner.

F. C. Cox is filling a large Ice House, on the above corner, holding 500 tons. He has everything in apple-pie order and is prepared to do a land office—no we mean an ice office business. He also intends to put up another building holding about 150 tons, farther up in town, for the purpose of packing and keeping fish, butter, eggs, and fruits.

Mr. Cox will build Ice Houses, fill Ice Houses, furnish you Ice, or let you help yourselves. See "*Ad.*" elsewhere in this paper. 4012

Among the many to whom the HERALD feels indebted about this first of January is Mr. Jos. Buttery, who gallantly helped us to bridge over the wants of our creditors. Mr. Buttery is one our oldest and most prominent dealers in drugs. He keeps a good stock, sells cheap, and under the careful supervision of Charley Black the store looks as neat as a newly furnished house.

FARMERS ATTENTION!

Julius Pepperberg, Cigar Manufacturer, on Main St., Plattsmouth, Neb. Cigar Clippings of Spanish and American Tobaccoes for smoking purposes. *For Sale.* Best qualities of plug-smoking tobacco always on hand. 20-tf.

Mr. Murphy, the Photographer offers the following:

For every dozen Photographs taken at Murphy's Gallery, he will give an Album; one that will hold 50 pictures. This is a neat and suitable present and will no doubt encourage many to have their pictures taken.

NOTICE.

Clapp & Greenslate at Elmwood Neb. general dealers in dry goods, groceries, and all articles generally kept in a country store, desire to call attention to their stock just laid in this season, and ask the farmers to call and examine our goods before going away from home to buy.

OLD SETTLERS MEETING

The Old Settlers Society (which McDonagh declares dead, but that like the Democratic party won't die) met in the Court House on Saturday, A. L. Childs in the chair, Wm. Wells Sec'y. several application for membership were received, and the Association adjourned to meet on the last Saturday in January. It is to be hoped that all the old settlers in the county will attend this meeting and see if we can form and keep up an association of this kind. Otoe, Burt, Washington and other counties have done so, and derived much amusement and instruction therefrom.

We have received No. 1 of Vick's *Floral Guide* for 1876, containing the completion of his trip to the Pacific, which includes a short but interesting account of the Yosemite Valley. It contains also an article on mushroom culture, and many descriptions of new and rare plants, as well as improvements on the old ones The *Guide* expresses unqualifiedly its disapprobation of the Act of Congress doubling the postage on all merchandise sent through the mails showing the means taken to get it passed, and giving some interesting statistics of the mails of other countries compared with this. Mr. Vick again offers four floral premiums, $20.00, $10.00, $5.00, and a floral chromo, to be awarded by every State Agricultural Society in the United States, and a chromo to be given by every Co. Agricultural Society, for the best display of cut flowers by amateurs. The *Guide*, which is issued quarterly, costs twenty-five cents a year, and is sent free to any one purchasing a dollar's worth of seeds of Jas. Vick. We consider the *Guide* almost invaluable to growers of flowers, and cheerfully give our verdict in favor of Vick's Flower and Garden Seeds, which we have grown for several years with unvarying success. See his advertisement in another column.

The HERALD bespeaks a good trade for Marthis. *See his new ad.*

Manhood: How Lost, How Restored!

Just published, a new edition of Dr. Culverwell's Celebrated Essay on the radical cure (without medicine) of Spermatorrhœa or Seminal Weakness, Involuntary Seminal Losses, Impotency, Mental and Physical Incapacity, Impediments to Marriage, etc.; also Consumption, Epilepsy, and Fits, induced by self-indulgence or sexual extravagance. &c.

Price, in a sealed envelope, only six cents.

The celebrated author, in this admirable essay, clearly demonstrates, from a thirty years' successful practice, that the alarming consequences of self-abuse may be radically cured without the use of internal medicine or the application of the knife; pointing out a mode of cure at once simple, certain, and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately, and radically.

This lecture should be in the hands of every youth and every man in the land.
