FINANCIAL

NEW YORK, January 30.—Money—Market easy at ½@1 per cent, closed offered at 1.

Prime mercantile paper—4@5.

Sterling Bills—Steady at 4 83½.

Sterling Exchange—Demand 4.86½.

Stocks—During the first hour advanced ⅛c to 1c, quotations reached being the highest of the day, in some cases the highest of the week. Notice of the withdrawal from the east-bound pool by the Chicago & Grand Trunk, and the report that the New York Central and Pennsylvania would fix a first class passenger rate from Chicago to New York at $10 gave a check to the upward movement in the general list, and before midday the market became weak with a gradual decline almost to the close. It was rumored, but subsequently denied, that Jay Gould was seriously ill. Compared with last night, the closing prices are ⅛c to 1⅛c lower, except for Northern Pacific, Oregon Trans-Continental and Reading, which are fractionally higher.

General Produce

Apples—There are but few choice apples left in the market and these are bringing good prices: Ben Davis, $3 50; Gentons, $2 50.

Poultry—Consignments have so far been more liberal this week than last, and as the weather is a little softer too, sales have not been quite so brisk at the high prices, and these may have to be shaded some for the end of the week. On turkeys the demand runs for small ones only. Shippers should remember that scalded poultry cannot well be graded as "choice," although it has of late frequently brought top prices on account of scarcity of all grades. Chickens, dressed, choice per pound, 10@11c; chickens dressed, fair to good, per lb. 7@8c; turkeys, dressed, per lb, choice, 12@13c; turkeys, dressed, fair to good, 9@10c; geese, dressed, per lb, choice, 11c; fair to good, 8@9c; ducks, dressed, per lb, choice, 11@12c; fair to good, 10c.

Eggs—Quite a marked advance has taken place. An almost total failure of any receipts for about two days, brought prices up to 28@29c, and even 30c for right fresh choice stock, and still supplies seem to be short. However, we want to warn shippers to be careful in buying as we have not much faith in this boom, which is liable to collapse as suddenly as it rose, for the many rotten and stale eggs that have lately appeared indicated that lots of them had been held for some time, and as these reserve stocks may not be exhausted yet, they will most likely be sent in on the present prices, which would cause a decline. At all events we shall endeavor to obtain the highest prices possible.

Butter—Quiet and steady. Receipts continue moderate, with prices unchanged, but a little more firm. Creamery, 22@25c; choice dairy, 16@17c; fair to good, 12@14c; inferior grades, 8@10c.

Game—Also very quiet, and such game as is lawfully "out of season" after February 1, will probably have to go at lower prices. Prairie chickens, per dozen $3 75; quail, 75c@$1 00; geese, per dozen, $3.00@$3.50; jack rabbits, per dozen, $3.00@$3.50; small rabbits, per dozen, 75c@$1.00; snipe, per dozen, 75@$1.00; ducks, mallard, $2.00@2.50; teal and mixed, $1.50@2.00.

Potatoes—Prices range according to quality. Stocks are light and with the first open weather shipments will do well, but should all be sacked. We quote at 40@50c per bushel.

Onions—60c per bushel for sound, unfrozen stock.

Beans—Are in right good demand now and prices firm. Navy, per bushel, 1 40@1 50; medium, 1 25@1 3[illegible].
