7 PER CENT INTEREST ON PREFERRED STOCK OF ESTABLISHED OMAHA MANUFACTURING CONCERN

Additional capital is desired for development and to take care of conservative, healthy growth of an Omaha manufacturing concern, established over twelve years; only $7,000 preferred stock, bearing 7 per cent interest guaranteed, for sale. Certificates of $100 or upwards will be issued. Interest payable semi-annually. This is no stock selling scheme, in fact we would never have even publicly advertised or offered this proposition through this newspaper were it not for the fact that one of its head men is interested in this concern and insisted upon using this method to reach those desiring a safe investment. We will give you bank references; also Dun and Bradstreet and, so high class is this proposition that we prefer that you make your investigation and investment through your own lawyer or banker rather than direct. A proposition that did not hold every feature of security could not afford an investigation like we court. The stock will not be for sale long. The first applicants whom we feel would be desirable stockholders, will be served first. Address P 619, care of Omaha Bee.
