Many High School Football Teams Clash on Husker Fields Today

South High to Meet Nebraska City in Omaha

Central Journey to Council Bluffs to Tangle With Lincoln—Tekamah Tackles Creighton High.

By RALPH WAGNER.

FOOTBALL games galore will be played on Nebraska high school gridirons this afternoon, and among the numerous contests are several that will have an important bearing on the state interscholastic championship scramble.

Of all the games scheduled today, only two are carded for Omaha. Nebraska City and South Omaha play at the Western league park, while Creighton High and Tekamah mingle at Creighton athletic field.

Central journeys to Council Bluffs to meet the Lincoln High eleven of that city, while Coaches Drummond and White of Tech will take their gridsters to Beatrice, where the Maroon and White team tackles the strong Beatrice squad in a game which is being watched with interest by all the high school fans of the state.

Central is not expected to have much trouble with the Iowans. Coach Schmidt's team has yet to buck up against a Nebraska high.

Packers Lose Two.

South Omaha, on the other hand, has met two state teams and has lost both games. First, the Packers were defeated by Fremont and then by Lincoln.

Nebraska City defeated Havelock, 6 to 0, last Friday, when Albers made a 45-yard run for a touchdown. According to out-state fans who have witnessed Albers in action, the Packers will find it to their benefit if they keep an eye on this player.

Creighton High and Tekamah play on Creighton field this afternoon. Last week Tekamah easily defeated the Roselle eleven and unless Creighton has improved considerably since its game with Central, the out-staters are liable to beat it out of town with another victory tonight.

Tech Meets Beatrice.

Tech plays its first state eleven today. And, in meeting Beatrice, we must confess that the Omaha squad is tackling one tough team. Beatrice has not been defeated this season. Neither has Tech. Coach Drummond's gridsters have defeated the out-state squad for the past two years and are expected to repeat again today. Tech is represented by one of the strongest lines in the state, bar none. The Omaha backfield, judging from their recent games, has the speed and each backfield man appears to have the stuff under his cap that makes good football ground gainers—namely brains.

Last Friday Beatrice eliminated Alliance from further consideration in the state championship race by defeating the latter team, 21 to 13.

However, reports received here tell us that injuries handicapped the Alliance squad after the first half.

Prospects Rosy.

Kearney High mingles with Aurora in the former's lot today and should win with ease. Last week Kearney eliminated Lexington from the state race by the score of 13 to 0 in the feature game of the middle-western schedule. Lexington, it will be remembered, put the skids under North Platte, 1921 state champs.

Kearney is now considered state championship timber.

Cambridge, 1920 state champs, have yet to taste defeat this season. The former champs defeated Gothenburg in one of the upsets last week, 7 to 3. The Gothenburg team defeated the Broken Bow team the week previous.

Many other important games are on tap this afternoon, but the above mentioned contests stand out as the most important.

These Missouri Tigers Will Buck Up Against

—Nebraska on Nebraska field Saturday afternoon in the first Missouri Valley conference game of the season for the Huskers.

Captain Herbert Bunker, center and tackle, is expected to get into the fray. Bunker injured his ankle in the Iowa State game. "Bob" Scannell, sophomore, second-string quarter, will pilot the Tigers in place of Kelley. Harry Schwimmer, end, is expected to get into the lineup, although he has an injured ankle, which he received in the Grinnell contest two weeks ago.

Negotiations for Transfer of Sioux City Franchise Are Under Way.

Chicago, Oct. 19.—Negotiations for the sale and transfer of the Sioux City (Ia.) franchise of the Western league, to Lincoln, Neb., are under way, President Tearney announced tonight.

Lincoln formerly was a member of the league, and the Sioux City club played its last 13 remaining games of the season there because of the small attendance at home.

Walter Mattick, president of the Sioux City cubs, is willing to sell, provided the terms are satisfactory. Business men of Lincoln are back of the deal to purchase the franchise.

President Tearney plans to visit Lincoln within two weeks to investigate the situation.

Shakeup in Line of Omaha Uni

Emerging from the Trinity game last Saturday with a battered and crippled lineup, Coach Ernie Adams of the Omaha university football team has started developing new timber for the Maroons' next game which is scheduled Saturday against the Tabor college at Tabor, Ia.

Because of the battered condition of the team, Coach Adams has made a general shift of the lineup. Captain Wilmarth is out of the game for the season. He injured his knee. Slater, Maroon guard, has a sprained ankle and will not be in Saturday's lineup. Hesler and Poucher, backfield men, were injured in the Trinity contest, but will probably be in shape for the game with Tabor Saturday. The Maroons are also weakened by the loss of McKee, star fullback, who has quit school.

With two regular backfield men out of the game, the Maroon chances of victory with Tabor has taken a big tumble. According to reports received from Tabor, the Iowans have a line that averages close to 195 pounds.

Players who wish to enter the tournament are urged to communicate with Ernie Holmes.

Packer Mentor Makes Good His Threats and "Fires" Regulars

WHEN Coach James Patton announced last Monday morning that he would "fire" every regular on the South High team as a result of its ignoble 78 to 6 defeat by Lincoln last Friday, it was not idle chattering of an enraged mentor.

Suiting his action to his threats, the South High chieftain ousted a flock of regulars and replaced them with second-string men, and when the team clashes with Nebraska City at League park at 3 this afternoon only three men who started against Lincoln will be in the lineup.

They're All Gone.

"The new lineup may not be any better than the original one, but it can't be any worse," declared the coach.

Davis, at tackle, is the only regular lineman left on the team. Graham, who barks signals, will be back at his old post, as will Holler.

A complete new backfield combination will hop to Graham's chatter.

Sad but True.

Here's the lineup the Packer mentor will start against the out-staters:

Davis, left tackle; Kadavy, left guard; Urban, center; Wolfers, right guard; McGrath, right tackle; Walles, right end; Graham, quarter; DeVry, fullback; Sutter, right half, and Gillette, left half.

Nebraska Prepares for Record Crowd

University of Nebraska, Lincoln, Oct. 19.—In view of the record-breaking crowd expected at the Nebraska-Missouri homecoming game Saturday, a careful inspection of the bleachers and grandstand is being made by L. F. Seaton, superintendent of operations; Chief Engineer E. W. Church and Professors C. F. Mickey and F. Glenn Mason of the department of civil engineering.

Nearly $2,000 was spent a year ago in reinforcing these structures, but to make safety doubly sure, every beam and joist is being inspected for soundness and a few cross-braces are being put under the bleachers to prevent side-swaying in case of overboisterous demonstration.

The university authorities, recognizing these structures as temporary, are giving them careful scrutiny until a new stadium relieves them of all anxiety whatsoever.

Central Perfects New Plays for Bluffmen

Coach Schmidt of Central High put the finishing touches on his Purple and White gridsters yesterday in preparation for the tilt with Lincoln High of Council Bluffs this afternoon at Jefferson field, Council Bluffs.

Council Bluffs has a clean slate to date and should make the Hilltoppers sit up and take notice. Central has a number of new formations and plays which they will attempt to gain ground with in today's contest. A fast and heavy bunch of gridsters will represent Central.

Michigan Gridsters Off for Tilt With Ohio

Ann Arbor, Mich., Oct. 19.—Michigan's football squad left here tonight for Columbus, where, on Saturday, it will attempt to avenge the three successive defeats at the rands of Ohio State.

Hundreds of fans accompanied the team, the vanguard of more than 16,000 that will travel to the Ohio city tomorrow and Saturday. Nearly half the population of Ann Arbor plans to see the game.

Legioners to Play

Norfolk, Neb., Oct. 19.—(Special Telegram.)—The local Legion team will meet the Legion team of Pierce Sunday. Sioux City and Valley are booked for future games with Norfolk's ex-soldiers. The Norfolk high school team plays at York Friday.

Central Seconds Beat Deaf Institute Team

Coach Hill's Central high school reserves trounced Nebraska School for the Deaf in an exciting contest at Riverview park yesterday afternoon, 25 to 19. The Deaf gridsters made the first touchdown early in the game on a wide end run but failed to add the extra point from scrimmage.

Central's Scrubs came back strong and at the end of the first half the score stood 12 to 6 in Central's favor. Hughes, acting as captain for the Reserves, made consistent gains through the Orange and Black forward wall, scoring two touchdowns.

At the beginning of the second half the Institute eleven opened up an aerial attack which was responsible for the remainder of their tallies.

The lineup:

Central Reserves	Pos.	School for the Deaf

Browns Buying Minor Talent

St. Louis, Oct. 19.—Phil Ball, owner of the St. Louis Browns, who finished the 1922 season only one game behind the champion New York Yankees, has obtained 25 players from minor league clubs, including 11 pitchers, six infielders, six outfielders and two catchers. The players were acquired through recall and purchase, 15 of the men being purchased and 10 recalled.

While no figures regarding the purchase prices of any of the players have been announced, it is reported that one group of eight cost $80,000. Included in this group was Homer Ezell, third baseman, who was purchased from the San Antonio Texas league team at an estimated price of $15,000.

Dave Danforth, southpaw hurler, who was released to Tulsa of the Western league after clubs in the American league had made complaints that he was "doctoring" the ball, is among those recalled.

Women Turn in Low Scores

Mrs. W. K. Jones and Mrs. O. S. Goodrich won the blind bogey contest, feature event of a golf competition given in honor of Mrs. C. N. Johnson of Fremont, by Mrs. Allan Parmer, of the Field club, yesterday.

Mrs. Blaine Young, Field club, turned in the low score for the outside nine with a 47 and Mrs. Howard Goodrich had the low score for the 18 holes with a net 93. Mrs. Parmer and Mrs. Clifford Cahlins tied for second honors with a 97 apiece.

Good scores were the rule rather than the exception among the 30 women in attendance at the party.

Mrs. Johnson was runner-up in the women's state golf tournament this year. Monday she will entertain 28 women at her club in Fremont.

Jockey Sande to Retire From Saddle

It is said Sande is one of the wealthiest jockey in America and, from presumably reliable sources, it has been learned that he paid taxes on an income of $250,000. Sande married into the Hildreth family some time ago and he is one of the most likable young riders on the race track.

From the same source it has been learned that Jockey M. Fator will succeed Sande as the star pilot of the Rancocas stable next season. Fator was the sensation of the Canadian tracks the past season.

Skin Ablaze with Eczema

Constant Itching Almost Unbearable!

We know there is one thing that stops eczema, and that is more red-blood-cells! S. S. S. builds them by the million! You can increase your red-blood cells to the point where it is practically impossible for eczema to

exist. We know that as blood-cells increase in number, blood impurities vanish! We also know that night follows day. Both are facts! But have you, eczema sufferers, ever actually taken advantage of this wonderful fact? Thousands just like you have never thought about it! Skin eruptions, eczema with all its fiery, skin-digging torture and its soul-racking outbreaks, able itching, pimples, blackheads and boils, they all pack up and go, when the tide of blood-cells begins to roll in! Blood-cells are the fighting giants of nature! S. S. S. builds them by the million! It has been doing it since 1826! S. S. S. is one of the greatest blood-cell builders, blood-cleansers and body builders known to us mortals! When you put these facts together, nothing is welcome to have eczema and skin eruptions looks more like a sin than a disease. Mrs. Arthur N. Smith, Pearl St., Newark, Ohio, writes: "My little girl had a very bad case of eczema. She began taking S. S. S. and is well now. I thank you very much. I tell my friends what a good medicine it is. I cannot talk too much about it, for I know it is O. K."

Here is your opportunity. S. S. S. contains only vegetable medicinal ingredients. Because S. S. S. does build red-blood-cells, it helps rheumatism, builds firm flesh, fills out hollow cheeks, beautifies the complexion, builds you up when you are run down. S. S. S. is sold at all drug stores, in two sizes. The larger size bottle is the more economical.
