OUR MOTTO

No Question is ever Settled Until it is Settled Right.

Mrs. Good is suffering from a severe attack of inflammatory rheumatism.

Jack Hooton is laid up with an attack of rheumatism, and Charley Sherman is acting as marshal in his place.

A special from Moundsville, W.Va., says the mayor of that town intends running the municipal government "as Jesus would." Here is a hint for our new board of trustees.

Jos. Morrison, proprietor of the Central restaurant and short order house, was married to Amelia Young, of Rosebud, yesterday afternoon, Judge Towne performing the ceremony. Joe is setting up a free lunch.

Many people suffer untold tortures from piles, because of the popular impression that they can not be cured. Tabler's Buckeye Pile Ointment will cure them. It has met with absolute success. Price, 50 cents in bottles, tubes 75 cents. Quigley & Chapman.

A. D. Wier, of Chadron, held a meeting at the court house last night and took up a collection for the benefit of the starving people of India. We are told that $33 was donated to the cause. Our people are not much in sympathy with the work, believing that England can care for her people if she will, and looking upon a donation to India almost as a donation to England for the furtherance of the war against the Boers.

Millions Given Away.

It is certainly gratifying to the public to know of one concern which is not afraid to be generous. The proprietors of Dr. King's New Discovery for Consumption, Coughs and Colds, have given away over ten million trial bottles and have the satisfaction of knowing it has cured thousands of hopeless cases. Asthma, Bronchitis, LaGrippe and all Throat, Chest and Lung Diseases are surely cured by it. Call at Elliott's drug store and get a free trial bottle. Regular size 50c and $1.00. Every bottle guaranteed. 1

Eli Precinct.

Hot and dry, cold and windy, and every other old kind of weather but wet.

J. E. Selder and wife went to Rushville last week to spend a week with Mrs. Selder's parents.

Mrs. A. D. Ford resumed her school in District 49, Monday, after a two months' vacation.

Lewis Adams has put up a shop and sent for a set of blacksmith tools. Lew will be prepared to make anything from a needle to a steam engine.

Born—To Wm. Dunbar and wife, a girl baby. As this is Bill's first daughter he is very proud to say the least. John Steele and wife were also made happy by the arrival of a new boy at their home, both events happening since our last effusion.

Miss Jennie Crowe, of Merriman, began her spring term of school in Dist 75, Monday.

Sore eyes and sore throat seem to be prevailing to a certain extent in this part of the county. SANDY.

A Testimonial from Old England.

"I consider Chamberlain's Cough Remedy the best in the world for bronchitis," says Mr. William Savory, of Warrington, England "It has saved my wife's life, she having been a martyr to bronchitis for over six years, being most of the time confined to her bed. She is now quite well." It is a great pleasure to the manufacturers of Chamberlain's Cough Remedy to be able to publish testimonials of this character. They show that great good is being done, pain and suffering relieved and valuable lives restored to health and happiness by this remedy. It is for sale by Quigley & Chapman. 1
