### A PRESENT FOR THE FUTURE.

What better Christmas gift could you make a son or daughter than the present of a scholarship in the Bookkeeping, Stenography or Telegraphy Department of Boyles College?

That would be a present for the future. That would insure for your son a profession that would guarantee his independence. That would assure for your daughter the ability to earn an independent living no matter what reverses of fortune might overtake you or her in after life.

The world of business offers your boy the greatest opportunities. It offers your daughter the best salary and the most congenial employment.

The better the business college your son or daughter attends the better training for business that son or daughter will receive—the better Stenographer, Bookkeeper or Telegrapher that son or daughter will graduate—the better salary that son or daughter will receive out in the business world.

### BOYLES COLLEGE OPENS ITS MID-WINTER TERM MONDAY, JANUARY 6, 1908.

Our college in ten years has grown to be the largest business college west of Chicago—has achieved the distinction of being the only business college in all this state to own and occupy wholly and solely a business college building of its own—and has gathered to itself the largest number of students that has ever favored any business college in this section of the country with their patronage.

Boyles College is the college that your sons and daughters would find it best to attend because the business men of this entire section have found it best to obtain their Stenographers, Bookkeepers and Telegraphers from Boyles College.

BOYLES COLLEGE,
