## Curtis' Compound Syrup of Sassafras.

There is no longer any doubt but that J. L. CURTIS' COMPOUND SYRUP OF SASSAFRAS will affect speedy and safe cure of the following diseases, Consumption, bronchitis, Spitting of Blood, Pleurisy, Whooping Cough, Asthma, Measles, Coughs, Colds, Croup, Hives, Hoarseness, difficulty of breathing, Pain in the side and breast, and all diseases of which the lungs and Chest are affected. It is very pleasant to take, and has a beneficial effect upon the system, besides curing the diseases for which it is recommended. It has now been in use west of the Mississippi river for nearly ten years, and it can be had in almost every neighborhood. The demand for it has become so great that it is difficult for the proprietor to keep up the supply. You can hardly go into any part of the country without becoming convinced that it is superseding all other remedies before the public. In cases of Consumption of long standing, it will give relief in a short. Lung Diseases and severe Coughs can, without doubt, be relieved by its use. To this advertisement, certificates of great importance from every neighborhood might be added.

Mr. HARMAN, of Oak Point, says, that where he resides, it has cured several cases of Coughs and Lung Diseases, where the patient has been afflicted for two or three years. Also persons who have been troubled with Spitting of Blood, have been relieved by the use of the syrup of Sassafras, and the happiest results have been experienced from it in Measles and in Whooping Cough of the most violent kind. Indeed in his neighborhood it is very successful for everyteing for which it is recommended. It is kept on hand in most families, to be used if necessarry, and all join in commending it. For Sale in every neighborhood, at 25 cents per bottle.

## Curtis' Mamaluke Liniment.

This preparation is combined of all the ingreedients necessary to make it the all-healing curative and soothing remedy of the age. CURTIS' MAMALUKE LINAMENT, will cure Rheumatism, Erysipelas, and spinal complaints, which have paralized the system for years. Also, old sores, tumors, cuts and bruises, swellings, frosted feet. A single application only is needed to convince any one that relief can be had from it. Pain in the side, back or joints, headache, bites of insects or reptiles, Salt Rheum, chapped hands, cutaneous eruptions, sore Throat, and many other diseases of the same class must yield to it when applied. It never fails to cure when taken internally, dysentery, Diarthea, cholic and cholera morbus. For horses it will cure sweeny, fistula, ringbone, spavin, cuts bruises, sprains, galls &c. It has saved many a man a hundred dollars by curing his horse of cholic, or bots, which it never fails to do.

MR. WARE, of Stage Station, above Burlington, says he has kept Curtis' Mamaluke Liniment for sale and for his own use during the past ten years, and he has no doubt that it has saved the lives of many good horses which have been attacked with Bots and Cholic, and many have been cured of Strains, Bruises, and the worst kind of Gall. A great many of my neighbors have used it for Rheumatism of long standing, and found immediate relief. One man fell and strained himself severely. After suffering excruciating pain for weeks, he was cured, after applying this Liniment for seven days. For sale in every neighborhood.
