WEEPING WATER.

Grows like magic; every time we go there we feel surprised and pleased with the changes for the better. Just now they are putting up a new $3,000 school house, which will be a very fine building when completed.

Messrs. Fleming & Race have just opened a new stock of goods and the old stand-bys, Reed Bros., have a large and commodious stone building plumb full of new and handsome fall and winter goods. Success to the little town under the gratite rocks on the lovely Weeping Water.

MARRIED.

WELSH—HOLT—Married, at the Hubbard House, Weeping Water, on the 26th inst., by the Rev. A. L. Tolden, Mr. G. B. WELSH to Miss M. J. HOLT.

NEW FIRM AT WEEPING WATER FALLS.

Just opened with a new and large stock of goods.

FLEMING & RACE

have just opened as fine an assortment of general goods as were ever brought to Weeping Water, consisting of dry goods, hats, caps, boots and shoes. Ready made clothing, Hardware, Queensware &c.

Gloves, Mitts, ladies Furs, and Yankee Notions of all sorts.

Mr. Fleming has just been East and their goods are being received new and fresh every day. They must and will be sold *cheap* for CASH. Now is your time to buy—farmers, mechanics and every body.

The Union Central Life Insurance Co. has purchased the fine five-story stone-front building, opposite the new Grand Hotel in Cincinnati, for its own use. This Company is reliable and prosperous. The General Agency which includes this section is unoccupied, offering a fine opportunity for active and reliable men to secure a lucrative business. Those desiring such a position would do well to address.

N. W. HARRIS, Sec'y,
25-4w. Cincinnati, O.

Hurrah for Van—speaks on politics and things next Saturday evening.

Every Republican wanted at the front.

REED BROS. WEEPING WATER.

This enterprising firm have just received from Chicago and elsewhere a huge stock of goods for fall and winter trade. Their freight bills called for 40 Tons weight of goods, so the people can form some idea of the stock. They sell at the lowest cash prices, and are doing a large package trade which is increasing daily. In the article of teas alone by inducing the farmer to buy unbroken packages of five and ten pounds, they can sell nearly 50 per cent under the old prices and have more than double their trade. Next week a list of goods and the special inducements they offer to farmers and others will be published in the HERALD and they invite all to call and examine the goods they offer for sale.

VANDERVOORT

on Saturday evening, good speaker, first of the season, fresh and new. Come out.

It corrects acidity of the stomach, relieves wind colic, regulates the bowels, and gives rest, health and comfort to mother and child. We believe it to be the Best and Surest Remedy in the World, in all cases of Dysentery and Diarrhea in children, whether it arises from Teething or any other cause. Centaur Liniment.

There is no pain which the Centaur Liniment will not relieve, no swelling it will not subdue, and no lameness which it will not cure. This is strong language, but it is true. Where the parts are not gone, its effects are marvellous. It has produced more cures of rheumatism, neuralgia, lock-jaw, palsy, sprains, swellings, ear-ache, caked-breasts, scalds, burns, salt-rheum, &c., upon the human frame, and of strains, spavin, galls, &c., upon animals in one year than have all other pretended remedies since the world began. It is a counter-irritant, an all-healing pain-reliever. Cripples throw away their crutches, the lame walk, poisonous bites are rendered harmless, and the wounded are healed without a scar. It is no humbug. The recipe is selling as no article ever before sold, and it sells because it does just what it pretends to do. Those who now suffer from rheumatism, pain or swelling deserve to suffer if they will not use Centaur Liniment. more than 1000 certificates of remarkable cures, including frozen limbs, chronic-rheumatism, gout, running tumours, &c. have been received. We will send a circular containing certificates, the recipe, &c., gratis to to any one requesting it. One bottle of the yellow wrapper Centaur Liniment is worth one hundred dollars for foundered or sweenied horses and mules, or for screw-worm in sheep.—Stock-owners—this liniment is worth your attention. No family should be without Centaur Liniment. J. B. ROSE & Co., New York. 46-1y

CASTORIA is more than a substitute for Castor Oil. It is the only safe article in existence which is certain to assimilate the food, regulate the bowels, cure wind colic and produce natural sleep. It contains neither minerals, morphine or alcohol, and is pleasant to take. Children need not cry and mothers may rest. 46-1y
