Stabbed.

Mr. Hicks, who keeps a boarding house on Second St. was pretty badly stabbed on Friday morning, last, by a man named McDonell, one of Tom Murphy's men. McD. was drunk and Hicks told him to leave, in fact, put him out once when he returned and on a second attempt to remove him he turned on Hicks and stabbed him with a common pocket knife in the thigh and temple. Dr. G. H. Black dressed the wounds which were quite serious.

A Card.

The great popularity the MASON & HAMLIN ORGAN has deservedly obtained in this County has induced several *unscrupulous venders of other organs* to resort to various tricks to dispose of their organs. The last that has come to our notice is informing our friends that they have secured the agency for sale of the Mason & Hamlin Organ, but of course they assert that they only furnish them to parties who will have no other. For the information of Friends of the Mason & Hamlin Organ I will say these men are *Frauds* and that only the gentlemen named below can furnish the Mason & Hamlin Organ. If other agents are appointed in the County due notice will be given in this paper. JAMES PETTEE, Special Agent, Plattsmouth, Nebraska, Office in Mr. O. F. Johnson's Drug Store.

THE MASTIN CHILD.

The End of Last Week's Tragedy.

By agreement, the attorneys for the parents of the Mastin child about whom the tragedy of last week centered, agreed to argue the case before Judge Sullivan, on Tuesday evening last. Such case was argued, and the Judge coming to the conclusion that the case was brought before him on a wrong presentation, and that the statutes provided for another remedy, dismissed the case as far as the writ of habeas corpus was concerned. The lawyers argued the case Friday evening after seven o'clock, and the Judge dismissed the case, there being a better issue in our statutes under which the case might have been brought.

Late that night, at the request of the relatives of Mrs. Mastin, Messrs. W. B. Shryock and Wm. Brantner, with the mother, obtained the child and left these parts for Kansas, by way of Pacific Junction.

GREAT EXCITEMENT.

The news soon spread, and Mr. Loder, Mr. Mastin, the father of the child, with Marshal Murphy, followed across the river and found the woman, child, Messrs. Shyock and Brantner, at Pacific Junction, on Saturday morning, early.

Of course, Shryock set up the plea that he had only been employed to take the woman over to the railroad.

Later, a portion of the brains and bowels of the bar of Plattsmouth followed in a buggy, that is to say, Messrs. Chapman and Pottenger, attorneys, and after a great deal of parleying, the woman gave up the child to the custody of the father, Jos. Mastin, and left, herself, for Kansas.

All suits, claims, and proceedings thus far in the matter to be abandoned.

It is a sad matter at best. We are informed that Mr. Mastin is a quiet, peacable citizen ordinarily, and acted in this matter about the writ, as served by the sheriff, under a total misapprehension of the facts. In stating this matter last week we gave the facts as we received them, from the best information to be obtained.

OSAGE, Iowa, Dec. 20, 1877.

The saw mill, feed, custom and merchant's mills were full of them, as were also our houses, cooper shops, barns and hog pens. Since giving them the poison they have been running round as "crazy as loons" and the river bank is line with dead rats, in fact it has created a terrible commotion among them and they have all left, thanks to the "Centennial Rat Exterminator," each box of which is worth a twenty dollar bill. We will see our druggists and have them send for it. Thanks, thanks. Very respectfully, E. M. BRITTS, & CO.
