She is a psychologist, scientific life reader, forensic healer, south-saver and peacemaker to all mankind of the highest order. Through her wonderful mesmeric sight she searches your most secret thoughts, sends the penetrating rays of her mesmeric gaze deep down into your soul, shatters its false idols, collects the fragments of your broken heart and cements them with a balm so soothing as to install new life, hope, health and vigor, starting you anew on life's journey, accompanying you to that journey's end enabling you to avoid the many snares and pitfalls that beset's way, astonishing you from the moment you are in her presence with her influence over your mind. She will give you food for reflection. In addition to her wonderful healing powers and ability to tell you or past and present life and penetrate the future she possesses the secret preparation of herbs which is an infallible cure for all mysterious diseases. The ingredients entering into the composition of the amulet are extracted from a serpent inhabiting the river Nile. This lady will give correct information regarding the coming election, lawsuits, journeys, business, divorces, etc., etc. Valuable secrets to ladies. Have those for whom you have given the full surrender of your heart's affection proven false? Do you find yourself unable to win those for whom your heart yearns? Does fortune seem to pass you by?
