When Jeff Davis Was Young.

Chat by the Wayside: There used to live in Grant county, Wis., a man named Jeff Price, who, if he had had his way, would have materially changed the history of the late war, at least so far as one prominent factor was concerned. In the early days, when Jeff Davis was a lieutenant at Fort Crawford, he and Price had a personal difficulty that resulted in a challenge to fight a duel, Price promptly accepted, and named "pistols as the weapons, with the muzzle of mine in his mouth and the muzzle of his in mine." The proposition horrified the young lieutenant, who withdrew his challenge, and so the matter ended.

A sound mind goes very seldom without a sound digestion and nothing contributes to it more than the use Angostura Bitters, the world-renowned appetizer and invigorator, manufactured only by Dr. J. G. B. Siegert & Sons.
