OMAHA'S MEN AGGRESSIVE

Making a Lively Fight for the L. A. W. Meet.

COLORADO JOINS HANDS WITH THEM

Rain in the Early Morning Interferes with the Pleasure Runs—Clears Up Later and Gives Promise of Good Racing.

PHILADELPHIA, Aug. 5.—The bustle and excitement which has prevailed at the national headquarters of the League of American Wheelmen since Tuesday continued today, despite threatening clouds and occasional showers. League members are still arriving in large numbers and keep the officials in the registration department hard at work. Up to noon today over 12,000 had registered, with new arrivals coming in by every train. Since the headquarters were opened over 2,000 new members have been enrolled.

During last night there were a number of heavy downpours of rain, and at 7:45 this morning, the time scheduled for the all-day run to historic Valley Forge, there was another fall of rain, which compelled a postponement until 9 o'clock. At that hour the weather was so threatening that it was decided to abandon the run. The other scheduled run starting at 9 o'clock up the Wissahacken valley through Fairmount park, got away on time with a large number of riders, considering the weather.

While the scheduled arrangements were somewhat interfered with by the weather, the spirits of the visitors were in nowise dampened. Between the showers, which grew lighter as the day advanced, short runs were taken in every direction through the city and suburbs, and refreshments and indoor amousements were provided in every bicycle club house in the city.

By 1 o'clock there was every indication of clearing weather, and the probabilities are the weather will be clear tomorrow and Saturday. At any rate, should the weather not be too violent the races, will be run rain or shine.

The Omaha and Indianapolis deleations are still engaged in a good natured rivalry for the '98 meet and are keeping open house at their respective headquarters in the Abderdeen and Hotel Walton.

GOOD PROSPECT FOR RACES.

When the time came for the afternoon runs through West Fairmount park and to the Quaker City club, along the upper Delaware the clouds had disappeared and the sun was shining brightly. The clear weather continued for the rest of the day, and at a late hour there was every prospect for a good day for the trial heats tomorrow morning and the finals in the afternoon. The former will begin at 9 o'clock and the latter at 3 o'clock. The track is of wood and was built especially for this year's meet. It is reported by the cracks, who have been riding on it for the past few days, to be in perfect condition. There are three laps to the mile, the track is twenty-four feet wide and forty feet in the home stretch. The foundations are six feet apart and are of yellow pine. The curves have a radius of forty-one feet and there is an elevation of seven inches. Arrangements have been completed to have every finish in trials and finals photographed so as to avoid disputes. The list of races for tomorrow, with prizes, trials to be run in the morning, is as follows:

One mile, championship, amateur: Regulation League of American Wheelmen medals.

Two-mile handicap, amateur: Six prizes, valued at $35, $25, $20, $15, $10 and $5.

One-third mile, scratch, amateur: Four prizes, valued at $35, $25, $15 and $10.

One mile, championship, professional: Regulation League of American Wheelmen medals.

One-quarter mile, championship, professional: Regulation League of American Wheelmen medal.

Two-mile handicap, professional: Cash, first $150, second $75, third $50, fourth $30, fifth $20, sixth $10.

One mile, 2:05 class, professional: Cash, first $100, second $40, third $35, fourth $20.

Tomorrow's referee will be George D. Gideon of Philadelphia, last year's chairman of the National Racing board.

COLORADO HELPS OMAHA.

The Omaha delegation, which was two days late in arriving, lost no time today in beginning their fight for next year's meet. Their leaders, F. W. Fitch and M. O. Daxon, came backed by their Commercial club and their Transmississippi and International Exposition. The Colorado representatives today joined hands with the Omaha wheelmen in the latter's favor. The Indianapolis contingent feel more confident than ever. Headed by Mayor Taggart they kept at work nearly every hour of their stay here and say they have pledges from nearly all of the eastern states and many representative western members. As yet no other cities have entered the lists for the 1898 meet.

Johnny Johnson, who was injured yesterday while training, was about today, but if the stiffness does not leave him he will be unable to enter the races.

Tonight the visiting wheelmen attended an all-night smoker at the national headquarters, at which a large and selected program was rendered.

The second section of the Associated Cycling clubs of New York City, which left Jersey City at 6:50 o'clock this morning, arrived here between 7 and 8 o'clock tonight. There were forty-eight starters, and all but a few finished. Among the survivors was Mrs. J. H. Patenall of Easton. Thomas Wald of New York captained the run, and G. McKenna was pacemaker. From Jersey City to Trenton the roads were miserable, but from Trenton they were in good condition.

The League of American Wheelmen Woman's auxiliary committee tonight conducted a fete at Belmont mansion in Fairmount park in honor of the wheelmen from other cities.

TROTTING ON THE GRAND CIRCUIT.

Luxon Gives His Backers a Bad Dump in 2:20 Trot.

COLUMBUS, O., Aug. 5.—Four races and three heats of a fifth were brought off at the Columbus Driving park today. The track was heavy, being so muddy that the horses could not get close to the rail. Favorites won in all the races except one, the 2:20 trot, and in that the bettors were badly dumped. In the 2:08 trot William Penn broke badly in the first heat, and was beaten under the wire by Page. Penn took the three next heats in easy style, being pulled up just as he came under the wire.

The Horse Review Subscription stake for trotters, foals of 1895, was won by Lady Geraldine. The filly broke in the second heat and allowed Janie T to beat her under the wire. Geraldine also broke in the third heat and was hard pushed by Janie T, but went under the wire first. The purse for this race was paid in cash at the conclusion of the race.

There were seventeen starters in the 2:20 trot and Luxon had been picked to win. The gelding was never in it, however, as he could not finish better than eleventh in any heat. Pat Watson won in straight heats, but was closely pushed in the first two by Cresceus. Ketcham's driving of Cresceus was one of the features of the race.

In the 2:14 pace Javelin broke badly in the first heat and finished ninth, but won the next three heats in easy style. Results:

CRICKET TOURNAMENT FOR OMAHA.

Games of Northwestern Association Will Be Played Here Next Year.

ST. PAUL, Minn., Aug. 5.—Omaha lost its second game in the tournament of the Northwestern Cricket association here today, but at the annual meeting of the association captured the meeting of 1898.

John Francis of Omaha was elected president of the association and John Douglas of Omaha secretary. The time for the holding of the next tournament was left to the Omaha club. The selection of Omaha as the place for holding the next meeting was unanimous. The first meeting was at Chicago last year, and it was understood that the several cities forming the league should have the tournament in rotation. The fact that the Transmississippi Exposition will be in progress at Omaha during next summer was an additional factor in securing the decision.

Play was resumed this morning with Omaha pitted against Minnesota and Chicago against Manitoba. The scores by innings follow:

Omaha, first innings, 93; second innings, 45; total, 138. Minnesota, first innings, 88; second innings, 51 for seven wickets, Minnesota thus winning by three wickets.

Manitoba, 218; Chicago, 43; second innings not concluded when the time for drawing the stumps arrived, and the match decided according to the first innings' score. Manitoba wins by 175 runs.

The teams now stand:

Club.	Won.	Lost.
Manitoba	2	0
Minnesota	1	1
Chicago	1	1
Omaha	0	2

Tomorrow the Minnesotas go against the Manitobas and Chicago and Omaha meet. Saturday the game between Canada and the United States will be played, the latter eleven to be made up of players of the different teams.

Bad Weather for Yacht Races.

NEWPORT, R. I., Aug. 5.—A disagreeable northeaster is in progress here and the race for the Goelet cup will probably be postponed.

At 10 o'clock the weather cleared so that the committee has decided to start the yachts in the Goelet cup race from Brenton's light ship at 12 o'clock and the yachts are getting ready.

Navahoe won the Goelet cup race for sloops, defeating Vigilant by four minutes and twenty-one seconds, corrected time. Colona won the cup for schooners, but had no competitor.

The yachts drifted over the finish line. The following were the times:

Meteor, 5:27:17; Angora, 5:23:25; Britannia, 5:34:24; Bona, 5:40:00; Isolde, 5:48:25. Isolde won on time allowances.

Live Contest in Tennis Doubles.

NEW YORK, Aug. 5.—In a contest full of brilliant play the American team composed of R. D. Wrenn and C. S. Campbell, defeated the English team, H. S. Mahony and W. V. Eaves, in the international tennis tournament on the St. George cricket grounds at Hoboken, N. J., this afternoon. Though Wrenn and Campbell are not the doubles champions of the United States, they are eminently fitted to represent the cleverest tennis talent on this side of the water. Campbell was a three-years' champion in singles of this country, while Wrenn is its present champion. Together they made a capital team. The match was only an exhibition contest.
