The following is an approximate statement filed by the receivers with the Clerk of the United States Circuit Court, for the District of Nebraska, at Omaha, Nebraska, of the amount of moneys and the amount of land contracts, notes and bills receivable in the hands of said receivers resulting from the administration of the property covered by said Sinking-Fund Mortgage, together with an approximate estimate of the value of said land contracts, notes and bills receivable:

The amount of moneys in their hands	$79,815.93
The amount of land contracts, notes and bills receivable in their hands	2,318,949.36
The value of said land contracts, notes, and bills receivable, so near as the same can be approximated	2,318,949.36

In said statement the receivers say that in the preparation thereof they have reported in their accounts as the same have been stated to October 31st, 1898, and that they have approximated the value of the land contracts, notes and bills receivable at the same time thereon since, in their judgment, the amounts which may not be realized thereon by reason of the inability or default of the contracting parties to meet their obligations thereunder will be offset by the value of the rights reserved therein to or in favor of The Union Pacific Railway Company or its receivers.
