Splitter at Chicago.

CHICAGO, Aug. 5.—Both clubs won and lost again today. Little Wood's perfect pitching shut the Orioles out in the first. Dahlen's fielding and a lightning triple play by himself, Conner and Everitt were the features. Isbell was wild and hit rather freely in the second, while Maul was a puzzle, and but for an error in the ninth would have duplicated Wood's performance. Attendance, 3,400. Score, first game:

SURPRISES AMONG THE TROTTERS.

The Abbott Among Favorites at Columbus Who Fall Down Badly.

COLUMBUS, O., Aug. 5.—This was a day of great racing at the Columbus Driving park, though no records were broken. It was likewise a bad day for favorites, as only one in four races won. The 2:12 trot furnished enough sensations for a week. The Abbott was thought to be a sure winner and sold in the pools at $100 to $25 for the field. However, the Abbott proved that he was a great performer if he did not do better than take second money. In the first heat The Abbott got a bad start and Geers only drove him to avoid the distance flag. Eagle Flannagan taking the heat after a hot brush with Octavia and Crescceus. In the second heat The Abbott and Eagle Flannagan came down the stretch like a whirlwind. The Eagle was under the lash, but The Abbott won by a neck, the fastest heat trotted this season, 2:08¾.

In the third heat The Abbott broke just after the start, but soon caught up with the bunch. He broke again just after the start in the fourth heat, but caught up with the leaders, Eagle and Crescceus, and was making a grand spurt on the stretch when he broke again, dropping back into last place, the Eagle beating Crescceus out in a hot finish. The Abbott destroyed all chances of winning by breaking for the fourth time and Eagle Flannagan won the heat and race in the slow time of 2:12¾.

The only favorite to win was Lady of the Manor in the 2:19 pace, she barely escaped the distance flag in the first heat. Angelina was favorite in the 2:27 trot, but was the last horse under the wire in every heat except one. Percy won in straight heats and was never in danger.

Hubinger drove Grace Hastings to beat her record of 2:09 (made to a wagon on the Cleveland track last week), but the best she could do was 2:11¼, although the last half was made in 1:03¾. Summaries:

Cricket.

Omaha Cricket club members are urged to get out earlier for practice. This afternoon the match is scheduled to commence promptly at 2:45 o'clock. The match is with an aggregation dubbed the "Incognitl."

The value of full practice will be appreciated when it is stated that the Omaha contingent is looking for new worlds to conquer, for Kansas City cricketers are preparing to make an attempt to lower the colors of the "boys in blue and white" on August 27. The Kansas City club is so impressed with the great showing made by Omaha in the late tournament that it is reported they are importing crack men from St. Louis and other cities in order to take the shine out of the Gate City men.
