Sixth Unassisted Triple Play in the History of Base Ball

Walter Carlisle, Centerfielder of Vernon, Cal., Club, Pulls Off an Unusual Stunt.

LOS ANGELES, Cal., July 20.—Walter Carlisle, center fielder of the Vernon club of the Coast league, made the sixth unassisted triple play recorded in organized base ball yesterday against the Los Angeles team in a game won by Vernon—5 to 4.

In the sixth inning, with the score tied, Moore and Metzger of Los Angeles walked. Akin, third baseman for Los Angeles, hit the first ball Stewart pitched, low over second base for what looked like a clean single. Moore and Metzger both got off to a hit and run signal, but Carlisle, playing close in, came forward like a flash and picked the ball off his shoe tops. His plunge carried him off his feet, and when he recovered both base runners, counting Akin's drive a sure safety, had passed the second station. Carlisle raced to second and touched the bag, while Moore was well on the way to the plate, then trotted to first, retiring Metzger. The unassisted triple plays on record are:

Paul Hines of Providence, at Providence, 1878; Larry O'Hagan of Rochester, at Jersey City, 1902; Larry Schafley of Portland, at Portland, Ore., 1904; Murch of Manchester, at New Bedford, 1906; Neal Hall of Cleveland, at Cleveland, 1908; Walter Carlisle of Vernon, at Los Angeles, 1911.
