Halcyon Heights Prices Advance

A little over a month ago we started to sell that bunch of Halcyon Heights lots in the town of Benson. We said at that time that property was sure to increase in value in that neighborhood. Lots in the blocks north of ours were then selling for $300. The owners are now asking $600. We sold one party a block of 24 lots and this week offered him $500 for his bargain. Out of the two blocks we sold solid at $100 per lot there has been resold 8 lots for $150 each. Were we right?

We have now opened up several new streets and are going to place on sale a new bunch of those good lots for $100 each, $10 down and $5 per month. These lots are both east and west fronts and slope just right from the front to the alley. They lie from one to two blocks south of the Benson car line. Call at the office for plats.

MONEY TO LOAN—CHATTELS

OUR
INTEREST

It is as low as you will find anywhere for our class of business, and it is much less than some will ask you. We charge nothing for making papers and our service is quick and quiet.

Our money is loaned on furniture, pianos, live stock and other chattels, and we loan to salaried people upon their own agreement to repay.

We arrange your contract so you are obligated to pay only a small payment each month, and tell you in advance just what the cost will be and give you the option of paying all you are able to at any time, and the more you pay the less the cost will be.

We are the oldest concern in our line in the city with many satisfied patrons, and we think we can satisfy you.
