BUSINESS CHANCES

LIFE INSURANCE.
AN OPPORTUNITY FOR AGENTS AND OTHERS.
One of the cleanest and best old line life insurance companies in the west, which has been established nearly twenty years and has never written any of the catch-penny contracts, board plans, etc., which was started as an old line company and therefore has no old assessment business to weigh it down, expects to start several new agencies in the west between now and the first of the year.
It presents to the public a statement that is not duplicated by any life insurance company in the United States, having nothing in its list of assets but money and loans, the latter being first mortgages on western farms. It has a low death rate, a very low expense rate and a high dividend paying power. LIMIT FINDS MEN AT WORK

Time When Union Carpenters Are to Go Expires with All Employed.

Though the time elapsed Friday morning when the builders' association intended to discharge all union carpenters unless the two union men were put back to work on the Hamilton building, nothing has yet been done.

Business Agent McKinnon of the Carpenters' union said at noon everything was moving along smoothly and nothing had been started by either the carpenters or the contractors.

"We have received no answer to our communication to the builders," said Mr. McKinnon. "The time mentioned in their communication—ten days—elapsed today, but all our men are working right along and nothing has developed."
