MONEY TO LOAN—CHATTELS

OUR LOANS

Our employes are well informed and courteous and we are always pleased to explain our manner of loans. We tell you to the cent what the cost will be, and if you conclude that it will not pay you to borrow there is no harm done.

We loan on furniture, pianos, live stock and other chattels, and to salaried people upon their own agreement to pay.

We offer you rates as low as you will find and our facilities for quick and confidential service are unsurpassed.

We are the oldest concern in our line in the city and we always try to please our patrons.

HEADQUARTERS FOR LOANS On Household Goods, Pianos, Horses and Wagons, Etc.

We will loan money on the above security at positively the lowest rate of interest to be obtained in the city. Why? Because we have unlimited capital and would rather loan money out than have it lying idle. We make these loans in the strictest confidence; make no inquiries of your neighbors and merely want to see your security. If you owe several small bills which are bothering you, come to us, state your circumstances and we will loan you money enough to pay them all off so that you will have your indebtedness all in one place where one payment each month will take care of it. And we will make the payment small enough to suit you.

We also Loan Responsible Salaried People on Their Plain Note, Without Endorsement or Publicity.
