AN UNDENIABLE FACT.

A fact which cannot be denied is that the Prince of Omaha is made wholly by hand and the very best material that could possibly be put into a 5c smoke. It is made by men who have made hand-made cigars for years and a bad cigar could not possibly be turned out. This insures the smoker the same size and quality at all times. Smoke the Prince of Omaha and take no other. It is 5c straight. THE W. D. STOECKER CIGAR CO. Save the bands of the Stoecker cigars. U—M213 8

FOR SALE, ten clear lots, vacant, in block 3, Fayette park. Here is about two or three acres of ground in one body. Make me an offer on it. A. P. Tukey, Board of Trade. RE—298 8

FOR PLATTING OR BUILDING.
I am authorized to sell for a few days only at extremely low figures the following property suitable for subdivision or for building moderate-priced homes for sale or rent:
$2,500—The tract facing east on 27th Ave., running from Lake to Grant, 470 ft. long, 110 ft. deep, sewer through alley the entire length, water and gas at either end. Will make 15 lots that will sell for $200 each. Best place in the city to build $1,000 to $1,200 homes for sale on easy payments.
$2,500—A tract bounded by 27th street, 27th Ave., Lake and Erskine, 253 ft on Lake, 129 ft. deep to Erskine. Four corner lots, the cream of that part of the city; would make eight lots to sell at an average of $500 each, or accommodate a dozen houses.
$1,500—That fine tract facing west on 27th Ave., running from Grant to Erskine, 280x108 feet. Divided into lots will sell at $10 per foot—other property is selling at that price in that vicinity. What is said of the above lots may be said of this—all are fine, and I think the cheapest property in Omaha for subdividing or platting. Several parties are now figuring on one or the other of these tracts to improve them, which will add to the value of the others. Look into this at once.
GEORGE G. WALLACE,
Brown Block, 16th and Douglas Sts.
RE—321 8
