MONEY TO LOAN—CHATTELS

LOANS
On Household Goods, Pianos, Horses and Wagons, Etc.
We will loan money on the above security at positively the lowest rate of interest to be obtained in the city. Why? because we have unlimited capital and would rather loan money out than have it lying idle. We make these loans in the strictest confidence, make no inquiry of your neighbors and merely want to see your security. If you owe several small bills which are bothering you, come to us, state your circumstances and we will loan you money enough to pay them all off, so that you will have your indebtedness all in one place where one payment each month will take care of it. And we will make the payment small enough to suit you.

We Also Loan Responsible Salaried People on
