A report gained considerable publicity the first of the week that High Bedient had been killed by being thrown off of a horse in Lincoln, but late developments prove it to be false.

Messrs. Thomas Cather and McCall, the committee of supervisors to meet with the county treasurers, are doing that work this week and hope to have the report ready for the board on the 14th.

The Red Cloud Republican has suspended publication, we presume from the fact that the sheet did not and never has paid expenses. The trouble with Red Cloud is, that there are too many newspapers and as long as so many exist the merchants can not afford to give them a hearty support.

To California, Oregon, Washington and other Western points—In Pullman Colonists Sleepers Via, the Union Pacific.

The constant demand of the traveling public to the West for a comfortable and at the same time an economical mode of traveling has led to the establishment of what is known as Pullman Colonist Sleepers.

These cars are furnished complete with good comfortable hair mattresses, warm blankets, snow white linen, curtain which secure to the occupant of a berth as much privacy as is to be had in first-class sleepers, plenty of towels, combs, brushes, etc. There are also separate toilet rooms for ladies and gentlemen, and smoking is absolutely prohibited.

Another fact not to be overlooked is that these Pullman Colonist Sleepers are attached to the daily fast express trains thus enabling passengers occupying these cars to make the same time as occupants of first-class Pullman Sleepers.

A charge of $3.00 for a lower or upper double berth is made between Council Bluffs, Omaha or Kansas City and San Francisco or Portland

For those furnishing their own bedding free berths are given in Pullman Colonist Cars running between Council Bluffs, Kansas City and Portland.

The Pullman Colonist Sleeper is especially commended for the use of the homeseeker who is moving to the west with his family, and who desires comfortable sleeping accomodations enroute but cannot afford to pay the first-class Pullman Sleeping Car fare.

For matter descriptive of any state or territories through which the Union Pacific runs, or for rates, time of trains etc., etc, apply to E. L. LOMAX, Gen'l Pass. and ticket Agent. Omaha, Neb.

Insurance Against Hail.

Geo. O. Yeiser is prepared to insure crops against damage from hail. Now is the time to insure also against loss from fire and wind.

The Lincoln judge who decides that a marriage contract is valid in Missouri invalid in Nebraska, strongly shows the necessity of making a national law governing marriages and divorces but distinctly removes all danger of his own promotion to the supreme bench. The sense and sentiment of the community resents the idea and the supreme court will probably reverse the iniquitous decision. Missouri's lax marriage laws have stimulated weddings all along her borders. If these contracts are void or voidable, there are thousands of families in adjacent states whose lives promise to be very miserable.—Bee.
