EDUCATIONAL EDUCATIONAL.

GET THIS STRAIGHT
If You Get a Boyles' Training You Will Get a Position

We have one whole big, busy department which does nothing all day but find positions for our graduates,—and it is so successful that it not only places our own graduates in positions but actually places scores of graduates of other business colleges in good positions—business colleges which either do not care enough, or work hard enough, to keep constantly in touch with the business world, in order to place their graduates in positions.

By phone—by mail—by personal interview this Situation-Finding Department does—ALWAYS DOES, know of openings in the business world for efficient assistants, just when they occur. It knows the necessary requirements. Knows what one of our graduates will fill the bill. Thus it serves the employer as well as the employee.

The thoroughness—the genuin, bred-in-the-bone thoroughness of our courses and our methods of instruction makes it sure that our graduates will be fairly saturated with the ability that will enable them to surely RETAIN GOOD positions.

And this Situation Finding Department makes it sure that they will surely GAIN GOOD positions.

BOYLES COLLEGE
is the only commercial training institution that thus fulfills the full measure of its duty toward ALL its students—toward YOU if you will enter Boyles College.

Doesn't this fact make this institution the one business training institution in all this section that you must prefer, if you consult your own interests with eyes wide, wide open?

We want you to read our 1912 Year Book, if you have not done so as yet. It's a mighty, mighty interesting book. You'll find it chock full of good reading, no matter if you never come to Boyles College. Send for it today.
