THE Real Estate and Loan Ad in the office of this paper has a large list of improved farms and city property that will interest any land buyer or homeseeker. A number of farms that will pay good interest on the investment; several that can be bought on easy payments and special deals; many that will pay their way and grow in value. The farms are priced according to quality, location and improvements. The list of farms is located right here in The Great Republican Valley Country, the Heart of The Great Corn and Alfalfa Belt. Among their list are some of the best farms in Webster and Franklin Counties. 'The hills look green far away' but the farm lands here are safest for investment, promise the greatest rise in values and offer best inducements to easy, thrifty farming. Good alfalfa land is crop-producing while self-fertilizing and never wears out. One of the best districts in the Middle West in which to raise hogs and feed cattle. The cheapest and best all-purpose farms to be found. Fertile and productive corn and wheat land; every field is the best alfalfa land; bountiful grain and hay crops; good schools, excellent roads, rural mails, telephones, convenient markets and shipping facilities. This country has every qualification necessary to unexcelled grain farms, dairy farms, poultry farms, stock farms and feeding stations. The best land values to be had at lowest prices. Also a number of excellent City Properties and several good local farm [illegible]
