AUTOMOBILES

GO WHERE YOU WILL, WHEN YOU WILL, IN A PACKARD TWIN SIX.

Packard 2-35, 7-passenger, touring car, extra tire, bumper, fully equipped, taken out of stock about five weeks ago and driven but a few miles. Call for a demonstration in this car and be convinced that it is a wonderful buy.

Packard 2-25 Demonstrator, 7-passenger and in perfect condition. Once you ride in a Twin Six nothing but the question of price can reconcile you to driving a lesser car, and at its price this Packard is a better value by hundreds of dollars than a car of any other make. It will be sold for $2,750.

1917 Scripps-Booth roadster. One extra wire wheel imparts an uncommonly smart air to this excellent roadster, which is practically new, but which we have put through our shops nevertheless. It will seat three. It is ready for demonstration. Tires, paint, and details are extraordinarily good and the price is so low that it will speed out of our possession for $500.

We have many other cars on the floor of our used car department and if the ones mentioned do not come up to your requirements call us by phone or write and we will get the facts to you.
