TO GIRLS AND MOTHERS OF GIRLS

To YOU and for you this story is written, especially is it meant for girls who are about to embark upon a business career.

Perhaps through necessity you have had to give up the idea of a higher education. Here is your opportunity—our school of instruction offers you a supplemental course with remuneration.

This course is given by the American Telephone and Telegraph Company's school which is maintained in Omaha and operated by a staff of efficient instructors.

The work itself is very fascinating and a full fledged long lines operator is the important link in weaving the speech of the nation.

You are cordially invited to visit our office where questions concerning this unusual opportunity will be answered in detail.
