FINANCE AND COMMERCE.

FINANCIAL.

NEW YORK, October 15.

Money—Is easy at 2@2½ per cent. closed at 2.

Prime Paper—6@7 per cent.

Exchange bills—Steady at 4.81½; demand, 4.84½.

Governments—Strong and higher.

Stocks—To-day was another day of depression in stocks, the weakest group being Coal shares, which were all, except Erie, from 1½ to 2⅜ per cent lower. Next in weakness were Northern Pacific and Oregon Trans-Continental, the latter being specially so, and selling at 41c, which is 6¼ points below the lowest prices ever touched before to-day, while Northern Pacific preferred was firm through the day and only ⅛ per cent lower at the close. The report that the combination of coal companies was being ignored and prices cut, was caused a decline in the shares of the coal roads to-day. President Sloan of Lackawana pronounces the report false and says the companies are working harmoniously. The general market outside of the stocks named, while weak, shows no special declines as compared with the close Saturday.

PROPRIETOR.

SPECIAL ATTENTION GIVEN TO DISEASES OF
Throat and Lungs, Catarrh, Kidney and Bladder as Well as all Chronic and Nervous Diseases.

DR. FISHBLATT

Has discovered the greatest cure in the world for weakness of the back and limbs, involuntary discharges, impotency, general debility, nervousness, languor, confusion of ideas, palpitation of the heart, timidity, trembling, dimness of sight or giddiness, diseases of the head, throat, nose or skin, affections of the liver, lungs, stomach or bowels—those terrible habits arising from solitary habits of youth, and secret practices more fatal to the victims than the songs of Syrens to the mariners of Ulyses, blighting their most radiant hopes or anticipations, rendering marriage impossible.

Those that are suffering from the evil practices which destroy their mental and physical systems causing

NERVOUS DEBILITY,

The symptoms of which are a dull, distressed mind, which unfits them for performing their business and social duties, makes happy marriage impossible, distresses the action of the heart, causing flushes of heat, depression of spirits, evil forebodings, cowardice, fears, dreams, restless nights, dizziness, forgetfulness, unnatural discharges, pain in the back and hips, short breathing, melancholy, tire easily of company and have preference to be alone, feeling as tired in the morning as when retiring, seminal weakness, lost manhood, white bone deposit in the urine, nervousness, confusion of thought, trembling, watery and weak eyes, dyspepsia, constipation, paleness, pain and weakness in the limbs, etc., should consult me immediately and be restored to perfect health.

YOUNG MEN

Who have become victims of solitary vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of young men of exalted talent and brilliant intellect who might otherwise entrance listening senators with the thunders of their eloquence or wake to ecstacy the living lyre, may call with full confidence.

MARRIAGE.

Married persons or young men contemplating marriage being aware of physical weakness, loss of procreative power, impotency, or any other disqualification speedily relieved. He who places himself under the care of Dr. Fishblatt may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a physician.

ORGANAL WEAKNESS

Immediately cured and full vigor restored. This distressing affliction—which renders life a burden and marriage impossible, is the penalty paid by the victim for improper indulgence. Young people are apt to commit excesses from not being aware of the dreadful consequences that may ensue. Now who that understands this subject will deny that procreation is lost sooner by those falling into improper habits than by prudent? Besides being deprived of the pleasure of healthy offsprings, the most serious and destructive symptoms of both body and mind arise. The system becomes deranged, the physical and mental functions weaken. Loss of procreative powers, nervous irritability, dyspepsia, palpitation of the heart, indigestion, constitutional debility, wasting of the frame, cough, consumption and death.

A CURE WARRANTED.

Persons ruined in health by unlearned pretenders who keep them trifling month after month taking poisonous and injurious compounds, should apply immediately.

DR. FISHBLATT,

graduate of one of the most eminent colleges of the United States, has effected some of the most astonishing cures that were ever known; many troubled with ringing in the ears and head, when asleep, great nervousness, being alarmed at certain sounds, with frequent blushing, attended sometimes with derangement of the mind were cured immediately.

TAKE PARTICULAR NOTICE.

Dr. F. addresses all those who have injured themselves by improper indulgence and solitary habits which ruin both body and mind, unfitting them for business, study, society or marriage.

These are some of the melancholy effects produced by the early habits of youth, viz: Weakness of the back and limbs, pains in the head and dimness of sight, loss of muscular power, palpitation of the heart, dyspepsia, nervous irritability, derangement of, digestive functions, debility, consumption.
