MURPHY'S THREE ERRORS HELPED BRING VICTORY

Erratic Fielding of Sioux City Plays Big Part in Omaha Making It Two Straight.

Sioux City, Ia., May 2.—(Special Telegram.)—Omaha won its second straight victory over Sioux City today, taking the game, 8 to 3. Merz started for the Rourkes and succeeded in holding the Indians to seven hits and three runs in seven innings. Van Gilder* was then sent to the mound and allowed but one more hit.

Myers held Omaha to one hit for the first three innings, but was hammered in the fourth for five runs and four hits.

Four Runs Go Over.

Jackson started the rally with a base on balls. Donica was hit by a pitched ball. Hanford got a short single to right, filling the bases. Jackson and Donica scored when Defate singled to center, Hanford going to third and Defate to second on the throw-in.

Holderman flied out and Nye walked again, filling the bases. Pratt doubled to right, scoring Hanford and Defate, Nye going to third. Fuhr got an infield hit, but Bashong struck out and Jackson grounded out, ending the inning.

The Rourkes scored two more in the fifth. Donica was safe on Jones' error and went to second when Hanford singled for his second hit in two innings. The runners advanced a base on Defate's sacrifice. Holderman hit to Jones, who threw to the plate, forcing Donica. Handford stole home. Holderman scored when Nye singled to right. Pratt flied to Farrell for the third out.

How Sioux City Scored.

Fuhr was first up in the sixth and was given a base on balls. He was forced out at second on Bashong's fielders' choice. Murphy muffed Jackson's grounder, Bashong going to second. Bashong scored on Donica's single and Jackson was tagged out trying to reach third on the hit.

Sioux City scored its two runs in the third on two singles and a triple. Another was added in the eighth, when Fuhr became wild, passing three men and allowing a single.

Van Gilder was sent to the box with bases full and one out, and succeeded in retiring the side without another score.

Handford carried off the batting honors, making two hits in five trips to the plate and stealing three bases.

Deserts Ball Team to Seek Work in Munition Factory

New York, May 2.—Albert Mammaux, pitcher of the Brooklyn National league club, left the team today with the announced intention of seeking employment in a munition factory. Mammaux, who had been placed in class one A, by his local draft board, is said to have told President Ebbets it was for the purpose of escaping the draft.

Mr. Ebbets said that he had protested Mammaux's action to President Tener of the National league, who had agreed to take the matter up with the provost marshal general's office.

Mammaux came to Brooklyn from Pittsburgh through the deal which sent Stengel and Cutshaw to the Pirates and was said to have a contract with the Brooklyn club calling for $5,000 a year.

Steve Evans Buys Wa: Cry; Didn't Print Card Results

Steve Evans is known among ball players as the representative comedian of the game.

A new player approached him and found him buying a copy of the War Cry.

"Got religion?" he asked.

"No," said Steve, "this is the only paper I can find that doesn't print the standing of the clubs."

The Cardinals had just dropped their 15th straight.

"Sruck-Out" King No Joke; Gets Trial With Chicago

They talk about Walter Johnson being the strike-out king, but how about the struck-out king? The struck-out emperor of base ball last season was Leslie, a Texas league first baseman, who fanned no less than 116 times during the campaign—about once in every four times he went to bat. Yet, so far from Mr. Leslie's being a joke, the Cubs signed him for a tryout in the fastest company.

Harold Carlson, Pittsburgh Pitcher, Called in Draft

Pittsburgh, May 2.—Harold Carlson, Pittsburgh National pitcher, was notified today by the local draft board of Rockford, Ill., to report immediately for service in the National army and left tonight for his home in that city. Carlson pitched his last game yesterday at Chicago and retired after a pinch hitter had been sent in to bat for him in the sixth inning.

Nunamaker May Be Called For Limited Army Service

St. Louis, May 2.—Leslie Nunamaker, catcher for the St. Louis Americans, was accepted today by the local draft board for special and limited army service subject to call at any time. A torn cartilage exempted him from actual service on the fighting line. The catcher has specialized in motors and machinery and will be used in that branch of the service.

Carload of Bass and Crappie to Swell Fish Tribe in Carter Lake

Fish Commissioner O'Brien will plant a carload of fish in Carter lake on the summer opening day by the Carter Lake club. The commissioner has planted thousands of fish in this lake, but this year he will include bass and crappie from 1 to 3 years old. He will bring them direct from the Valentine fisheries.

The car left Wednesday with a load of fish for the lakes near North Platte and will be distributed under the direction of Jim Den, veteran fisherman and hunter. They included crappie, perch and catfish. Fish also will be planted at Valley, Columbus and Lake Kearney at Kearney.

Commissioner O'Brien has just returned from taking a car of trout fry to the lakes along the Northwestern line as far west as Crawford. These consisted of 50,000 rainbow and brook trout.

"People are eating more and more fish all the time in these days of the H. C. of L.," Commissioner O'Brien said. "There is a heavy demand on us all the time for fish and we are busy supplying the demand."

The commissioner has had a gang of seiners at Dakota lake since the middle of March, taking out half a ton af carp and buffalo a day, but all were consumed by the local demand.

Mr. O'Brien intends to seine out the course fish from Carter lake this fall as they are deadly to the game fish.
