Cattle—Cattle receipts were moderate for Monday, about 4,400 head and the quality of the offering was not as good as last week on the whole. Demand for desirable beeves was somewhat more urgent and prices anywhere from strong to 10@15c higher than Friday. Choice beeves sold at $17.50@18.00 and bulk of the fair to good kinds around $16.25@17.25. On the fair to pretty good kinds prices were much the same as they were last week and the same was true of desirable yearlings. Medium and common cattle met with a very indifferent demand and half fat yearlings were very hard to move. Best of the cows and heifers also sold strong to 10@15c higher than Friday while canners and cutters showed no particular change. In stockers and feeders desirable kinds were scarce and strong while on the general run of stock cattle the market showed no improvement.

CHICAGO GRAIN AND PROVISIONS.

Defeat of Austria and Possible Separate Peace Breaks Corn.

Chicago, June 24.—Increasing magnitude of the Austrian's defeat, together with London talk of a possible separate peace with Austria brought about a sharp break in corn values today during the last 30 minutes of trading. The market closed heavy, ⅝ to ⅞ cents net lower, with July $1.43⅛ to $1.43⅝ and August $1.46 to $1.46⅛. Oats finished ⅜ to 1⅜ off and provisions unchanged to 10 cents higher.

Until attention became focused on the significance of the foreign dispatches, the corn market had been dominated by the bulls except just at the outset. A downward initial tendency resulted from beneficial rains in Kansas, but reports of frost in Ohio, Michigan and Indiana soon led to a strong advance. Notwithstanding that there had been no crop damage outside of a few localities, persistent buying remained in evidence up to the final hour. Then selling became general and prices rapidly fell, deprived of any adequate support.

Oat were relatively weak throughout the day. Rains where needed, gave an advantage to the bears. Besides, demand from the east was slow, despite a big falling off in the visible supply total.

Better cash inquiry for meats helped to lift the provision market. At first, however, prices reflected temporary weakness of hogs.

GRAIN AND PRODUCE

First Fairly Good Run in Two Weeks is Received; Little Change in Cash Corn.

Omaha, June 24, 1918.

Moderate arrivals of corn were reported over Sunday, the first fairly good run of this cereal for more than two weeks, 138 cars showing up. Receipts of other grains were light with 17 cars of wheat, 56 cars of oats and 5 cars of rye.

Very little change was noted in the corn market with respect to cash prices, all the good grade stuff selling at Saturday's prices. There was a noticeable active demand for good white corn, while the yellow and mixed were not such a quick sale. One car of No. 1 white brought $1.82, while the No. 2 white sold at $1.79 and $1.80. No. 3 white sold at $1.74, No. 3 yellow at $1.57 and No. 3 mixed at $1.52. Sample grade stuff was easy to dispose of, these sales ranging from 75c to $1.30. A few late sales of corn sold a cent up.

There was very little doing in cash oats. The demand was light and spot figures slumped 1c and 1½c, the good grades selling at the extreme decline. No. 3 white sold at 76½c and the No. 4 and sample grades at 75½c and 74, respectively.

Rye was steady and barley firm. A part car of No. 4 barley went at $1.00.

Clearances were, wheat and flour equal to 711,000 bushels; corn, none; oats, 100,000 bushels.

Primary wheat receipts were 487,000 bushels and shipments 49,000 bushels, against receipts of 628,000 bushels and shipments of 365,000 bushels last year.

Primary corn receipts were 939,000 bushels and shipments 500,000 bushels, against receipts of 1,159,000 bushels and shipments of 529,000 bushels last year.

Primary oats receipts were 1,402,000 bushels and shipments 527,000 bushels against receipts of 832,000 bushels and shipments of 1,021,000 bushels last year.
