NEW YORK STOCKS

Railroad Holdings Conspicuous On Sluggish Market; St. Paul Common Advances; Coppers Inclined to Sag.

New York, Aug. 12.—Railroad stocks were the conspicuous features of today's sluggish and irregular market, moving up to best prices of several months, presumably in anticipation of a speedy settlement of the question of stabilizing earnings and dividends.

Grangers and trans-continentals were most active, St. Paul common and preferred advancing 2¼ and 3¼ points respectively. Canadian Pacific caused a scramble of short covering on its extreme gain of 3 points, Union Pacific rose 2 points, Great Northern 1½ points, and Northern Pacific and Southern Pacific 1 point each. Reading did not move with other coalers during the morning, but hardened later on the steady inquiry for Eries, Baltimore & Ohio, Chesapeake & Ohio, Pittsburgh Coal and Pittsburgh & West Virginia.

Foreign news yielded none of its hopeful character, but war issues rested on their laurels of last week. United States Steel made a trival gain at the outset, but reacted abruptly later, closing at a loss of 1½ points.

Shippings and oils also failed to fulfill last Saturday's promise of improvements and coppers were again inclined to sag on very moderate offerings with Baldwin Locomotive and Harvester, while tobaccos were inactive at irregular changes. General Motors enlivened the final dealings at an advance of 5 points. Total sales amounted to 435,000 shares.

Investment bonds and internationals were firm, Anglo-French 5s leading the latter group. Liberty 3½s were at the new high of 100.06, a new high record of the year, sales par value aggregated 5,445,000.

United States bonds, old issue, were unchanged on call.
