State High School Track and Field Records Expected to Fall at Coming Meet

Rhodes of Ansley Only Trackster Who Smashed Record in Classic Last Year

Mark in 100-Yard Dash Established 17 Years Ago by Burrus and Wildman Still Stands—Medal Will Be Awarded Winners at Annual Carnival.

Lincoln, May 1.—Several boxes of medals, some of special design, others just of the ordinary type, yards of ribbon stamped with gold, and banners of silk to be inscribed with color, await group, event and individual champions in the various arts of track and field, to be determined at the annual state high school championship meet held by the University of Nebraska here a week from next Saturday.

Medals and trophys for winners introduce an old story to competitors in state high schools, interschoolastic sport observers aver, pointing out the ambition for records rather than individual score. But one record was broken in the meet last year, however, and a glance at the record sheet discloses that most of those that now stand have held their places for several years.

Expect Large Entry List.

As unfavorable weather conditions attended the meet last year, with more schools taking up track this year, and generally better conditions favoring all squads in the local and district tryouts pdeliminary to the May 13 meet, sport criterions are looking for some of the following state records to be lifted:

100-Yard Dash.—10 1-5 seconds, Durrus, '04, Lincoln; Wildman, '04, York; Wood, Omaha Central, '11; Hollstein, Stanton, '16; Noble, Omaha Central, '18; Morgan, York, '19.

220-Yard Dash.—22 2-5 seconds, Burrus, Lincoln, '04.

440-Yard Dash.—52 2-5 seconds, Hahn, Falls City, '20.

880-Yard Run.—2 minutes, 3 2-5 seconds George, Franklin academy, '10.

Mile Run.—4 minutes, 41 seconds, Nichols, Lincoln, '18.

220-Yard Low Hurdles.—26 4-5 seconds, Graves, Kearney Military academy, '10.

110-Yard High Hurdles.—16 3-5 seconds, L. Glah, Lincoln, '18.

Pole Vault.—11 feet, 8 inches, Rhodes, Ansley, '21.

Running High Jump.—5 feet, 1 inches, Wiley, York, '09.

Running Broad Jump.—21 feet, 2½ inches Liebendorfer, Pawnee City.

12-Pound Shot.—45 feet, 7½ inches, Lutes, Omaha Central, 15.

Discus Throw.—120 feet, Hepperlein, Beatrice, '20.

Half-Mile Relay.—1 minute, 36 2-5 seconds, Omaha Central, '11.

The record of the 100-yard dash, for instance, has stood for 17 years and remains a divided honor—Burrus and Wildman hitting the tape together in a triangular meeting following the state affair. It has been equaled since by other sprinters. Burrus, in that same year, set the 220-pace since unaltered.

Rhodes Holds Record.

Rhodes of Ansley was the only entrant in last year's meet, that was able to change a record, raising the standard in the pole vault.

There will be three distinct championships in this year's meet—group one, composed of schools having an enrollment under 100 pupils; group two, for those with an enrollment between 100 and 272, and group three, eligible to schools with an enrollment above 275. Four places are open to score in each event. Each school can enter not more than four men in each event, but two can compete.

Bronze medals will be awarded for first, second and third places in each event. Special medals will be awarded event champions setting up the highest score, regardless of groups. Silk banners will be awarded each team that places first, second or third in the total points made in each group. The special relay banners will go to the team making the best time.

Hastings High Wins Track and Field Meet

Grand Island, Neb., Mal 1.—Team honors in the invitation high school track and field meet, Saturday at the Grand Island college, were carried off by Hastings' 25 2-3 points. Superior was second with 23 1-3 points, and Ansley third with 22 points. Aurora, York and Grand Island came next in order with 16 2-3, 13 1-3 and 7 points, Kearney bringing up the rear with only one-third of a point.

Individual honors were split between Wier of Superior and Rhodes of Ansley, each with 20 counters. The independent relay, not counting in the total score, was won by Hastings.

The best time of the meet was made by Demaranville of Aurora in the mile and a half races, when he ran the quarter of a mile twice in two minutes and nine seconds, and circled the loop four times in five minutes, five and four-fifths seconds. He had practically no competition in either of these two races.

Greenslit of Hastings was the individual star of that team and aided materially in totaling up its long end of the score.

Although the time in the 220 and 440-yard dashes was not exceptionally fast, he managed to cop first place in each, thereby gaining 10 of the total number of points won by Hastings.

One of the most hotly contested events was the broad jump, in which strong competition sprung up between the two athletes who tied for individual honors in the entire meet. Weir finally won first place in this event by leaping through the air for a distance of 21 feet, 2 1-2 inches, while Rhodes' best jump was 20 feet, 10 inches.

Good distance was gained with the discus by Moore of Aurora, when he sailed the plate 107 feet and 1-2 inch. In case of a tie, of which there were several throughout the meet, the points were split and the flip of a coin decided to whom the medal should be awarded.

Kilbane to Confer About Title Bout

New York, May 1.—Johnny Kilbane, featherweight champion, is expected to appear at Madison Square Garden today to confer with Matchmaker Frank Flournoy. The two gentlemen will discuss the prospect of Kilbane defending his well hidden crown at the Garden at an early date. From what can be learned, John is willing to climb through the ropes and put his title in jeopardy providing he receives his desired ton of flesh.

The champion will be offered a match with the winner of the "Babe" Herman-"Pepper" Martin fight which will take place Tuesday at the Garden.

Rocky Kansas May Meet Champion Leonard

Chicago, May 1.—Rocky Kansas, the Buffalo (N. Y.) lightweight, probably will be Benny Leonard's opponent in the lightweight championship 10-round contest to be staged at Michigan City, Ind., July 4, under the auspices of the American Legion, Floyd Fitzsimmons, the matchmaker, announced today.

Failing to come to terms with Charlie White, the Chicago lightweight, Fitzsimmons left at noon today for Buffalo to sign Kansas. Kansas has fought the titleholder twice and Leonard failed to stop him on both occasions.

Tilden and Richards Trim California Pair

Los Angeles, May 1.—William T. Tilden, 2d, world's tennis champion, and Vincent Richards, his partner, defeated William M. Johnston, of San Francisco, Pacific coats champion, and Harvey Snodgras, champion of Los Angeles, 6-3 and 8-6 here yesterday.

In a preliminary singles match, Richards defeated Cliff Herd, Chicago city champion, 6-3 and 6-1.

Golf Facts

Q. In a recent match my opponent insisted on moving a rock about six inches back of his ball in the rough. At least two-thirds of the rock was buried under the surface. Do the rules allow such as this?

A. Under the conditions mentioned the rock would appear to have been "fixed," and so could not be moved under penalty of loss of the hole. The penalty in medal play is two strokes.

Q. Can you give me the qualifications for entering the ameteur championship at Brookline, Mass.?

A. Player must belong to a club that is a member of the U. S. G. A. and be handicapped at four or less in his district or city association. Otherwise he may enter by invitation by officials of the U. S. G. A. Write James D. Standish, Jr., Lochmoor Club, Detroit, Mich., for further details.

Q. What year did Jim Barnes play in his first national open championship, and what was his score?

A. 1912 at the Country club of Buffalo. He tied for 18th place with 311. Jack McDermott won the championship with 294.

Q. Where two balls lie close together and a player in playing his own ball moves his opponent's ball, does he incur a penalty?

A. Yes. If his opponent's ball is within a club length, he has a right to have it lifted and should do so to prevent moving it and incurring a penalty in playing his own.

Q. Is there any penalty for making a while your opponent's ball is still in motion?

A. Yes, loss of the hole in match play and two strokes in medal play.

Safe or Out!

Q. The ball rolls out, then in, then out and then in again on its way between the bat and third base. The umpire changed his decision twice. Had he a right to do so?

A. Yes. He was virtually compelled to change his decision so that he might give that which was right. He should have not been too hasty in giving the first decision.

Q. A slow ball was tossed to the batsman by the pitcher and the latter made no motion to get out of the way. The ball hit him and the umpire refused to permit him to go to first. Is that within the rules?

A. It is. Read Rule 53, Section 4, which provides for that emergency.

Q. The moment that the ball touched the hands of the outfielder the runner started for the plate. The outfielder pushed the ball away from him by accident but another outfielder caught it. The umpire ruled that the run did not score because the runner left third base before the ball was caught. Was he right?

A. No. The rule reads plainly, since amended, that the runner may leave his base the moment the ball touches the hands of an outfielder. The change was made to provide for exactly such a condition as is outlined in the query.

Q. May a pitcher wear a catcher's glove?

A. He may not. The pitcher is the same as a fielder except as to throwing the ball to the batter.

Q. The batsman bunts and at the same time that he meets the ball he steps toward first base and his foot is out of the batter's box, but he keeps right on running to first base. Is he out?

A. Umpires almost invariably refuse to call the batter out because he is making a running play and it is hard to tell just when his bat came into contact with the ball.

Swings Mean Tennis Racquet

Albert Finkel, Central High school tennis player, is out to add more tennis honors to his list this season. During his freshman year at Central, young Finkel made a first-year record that put him in the tennis limelight.

During his first year at Central, Finkel trimmed Wilmer Beerkle in the finals of the school tennis tourney. Soon after that he conquered a classy field in the Kountze park municipal tennis tournament.

Finkel ended the season by winning over Leslie Swenson for the junior open state championship.

The central racquet wielder is competing in the school tournament this season and is feared by all his competitors.

Joie Ray, Omaha Visitor, Says He Was Out of Shape in Race Against Kansas Marvel

Joie Ray, who is visiting his cousin, Cy Wilkes, treasurer of the Orpheum theater, declared yesterday that he was completely off form Saturday in his special mile race with Ray Watson, Kansas Aggie star, which was staged as a feature event of the Drake relays.

Ray declared it was the poorest race he has run this year.

He was loud in his praise of the Kansan.

Ray is the holder of seven world's running records and his defeat by the Kansas Aggie undergraduate was a big upset.

He was expected to negotiate the distance in less than 4:20, while he came in several yards behind Watson, whose time was 4:24.

Ray will remain in Omaha until Friday, when he will run an exhibition race in the Shenandoah triangular track meet at Shenandoah Friday. He also will act as starter.

Bears Rally and Chase Indians Out of Victory

Denver Hammers Carter for Seven Hits and Win Opener By 7 to 3 Score.

Denver, Colo., May 1.—Denver rallied in the seventh after Oklahoma City had tied the score in the first half, and a downpour of rain halted the game for 20 minutes, hammered Carter for seven hits and won the series opener, 7 to 3. The Indians started a batting bee in the seventh also, but it collapsed when Wetzel tightened after allowing four hits. Score:
