CHORUS TO GIVE GRAND OPERA

Lohengrin and Hiawatha Planned for Work of Coming Semester—Not a New Field of Effort.

LOHENGRIN BEST OPERA TRIED

During the coming semester the university chorus, under the supervision of Mrs. Raymond, will present two operas of high merit and music capabilities—"Lohengrin," by Wagner, and "Hiawatha," by Coleridge Taylor. The latter is already well under way and will be presented before a university audience at some far-distant time. "Lohengrin" has not been attempted but will be commenced soon. It is scheduled to be given before the Matinee Musicale on April 14th.

In the several years that the chorus has presented productions a number of the grand operas have been given in concert form with considerable success. Among these are "Aida," "Die Frieschutz," and "Romeo and Juliet." "Lohengrin" is considered by many to be a much more promising opera than any of those so far attempted and the university public can look forward to something rather fine.

NEBRASKA VICTORIOUS 25 TO 11

DUBUQUE, Iowa, Jan. 23.—A burst of speed in the second half enabled Nebraska to defeat St. Joseph's college at basketball here tonight by a score of 25 to 11. The substitution of Haskell for Hyde at right forward had a good effect in the teamwork of the university boys. Haskell alone, contributing three field baskets in the final period. The count at the first half was 9 to 6. St. Joseph's scoring on four free throws by Lyons and a beautiful field goal by Semtena. Captain Carrier was the best point getter for Nebraska, caging the ball for eight points. A brilliant throw by Stryker in the first half, when he caged the ball from the center of the floor, was the feature of the game. The visitors were handicapped by an irregular floor, which compelled them to sacrifice trick plays. The line-up:

At Minnesota a vigorous campaign is being carried on by organizations and students to raise funds for the relief of starving Bulgarians in Samakov. All the men of the village are fighting at the front and their families are starving. Twenty cents is sufficient to provide food for a family of five for a day, and a campus wide movement among the students is attempting to solve the life or death problem that confronts the people.
