Robert, the seven year old son of Mr. and Mrs. T. D. Hutton, had the misfortune to fall and break his left arm above the elbow, while playing near his home Saturday afternoon. He was taken at once to Dr. French at Page, where the fracture was reduced.

Harold Killinger of Inman, a Senior of the Nebraska Wesleyan University at Lincoln, has been offered a fellowship in History at the University of Iowa. Mr. Killinger has accepted the offer and will go to Iowa next year instead of teaching at Oakland, Nebraska, as he had planned.

Lois Moor, Inman, a junior at Nebraska Wesleyan University, is the president of the Pan-Hellenic council for next year; the Pan-Hellenic council is the intersorority council of the university. Miss Moor will attend a convention of the Pan-American Hellenic council in West Virginia some time in June.

A new time card for the Northwestern railroad went into effect at Inman last Sunday. Passenger train No. 3, which was formerly due here at 9:45 in the evening, has been taken off and in its place Train No. 11 from the east will arrive here at 3:16 in the afternoon. This gives Inman citizens an afternoon mail which they have not had for a number of years.

The annual school exhibit was held at the school house on Friday afternoon and evening of this week. Each room featured a splendid exhibit which was greatly appreciated and enjoyed by the patrons of the district and we feel that we have a school of which we can justly be proud. 110 visitors viewed the exhibits during the afternoon and evening.

Junior-Senior Banquet

The Senior class of the Inman high school was the guest of the Junior class at a banquet held last Saturday evening in the dining room of the I. O. O. F. hall. The room, which represented an old fashioned garden, was beautifully decorated; a very realistic garden wall, which looked like grey stones, topped with flowers, surrounded the room, while at either end was a high arched gate, around which yellow roses twined. In the center of the room stood a large May-pole, from which streamers in all the pastel shades issued; the ends of the streamers were fastened to the tables which formed a huge square around the Maypole. The tables were beautifully decorated with tall yellow candles in golden mounds which also formed Maypoles. Tiny hand-made dolls, dressed in yellow crepe paper, holding the place cards and little yellow baskets which served as nut cups were in evidence at each place.

The floor was covered with green grass matting which gave a real out-of door appearance; colored light bulbs added much to the beauty of the scene. Covers were laid for 26.

The menu was

Cocktail — Salted Wafers
Veal Birds — Salad
Rolls — Jelly
Radishes — Celery Hearts
Nuts — Mints
Coffee
Ice Cream — Cake

A very nice program was carried out, with Jessie Coventry as toastmistress. The program was as follows:

"What It Means To Be A Senior," Esther Fraka.

"What It Means To Be A Junior," Frelent Phibil.

"What The Future Offers," Sup't., Alice French.

"What Others Have Done For Ms," Leona Gallagher.

"What?" Bud Smith.

MEYER—SOBOTKA

A very pretty wedding was solemnized at St. Patrick's Catholic church at O'Neill on Thursday morning, May 1st, when Ella G. Sobotka, youngest daughter of Mr. and Mrs. John Sobotka Sr., of Inman, was united in marriage to Clifford Joseph Meyer, of Beatrice, Nebraska, Father Monsignor Cassidy performing the ceremony.

The bride was beautifully gowned in white georgette and wore a veil, which was held in place by a coronet of orange blossoms; her costume was completed by white kid slippers with rhinestone buckles; she carried a bouquet of roses, sweet peas and snap dragons. The bridesmaid, Miss Laura Reznicek of Newman Grove, a niece of the bride, was attired in rose biege flat crepe and carried an arm bouquet of pink and white carnations. Henry Sobotka, brother of the bride, acted as best man. Catherine Sobotka, small niece of the bride, who was daintily attired in pink and carrying a beautiful basket of flowers, was the flower girl. The ring-bearer, Eugene Sobotka, small nephew of both the bride and groom, was dressed in white and carried the ring in a large, white lily. Immediately after the ceremony the bridal party went to the home of Mr. and Mrs. Lewis Sobotka, brother and sister of the bride and groom, where a delicious wedding breakfast was served. At 1 o'clock p. m., they went to the home of the bride's parents, south of Inman, where a sumptuous wedding dinner was served to all the relatives. A dance was given in honor of the newlyweds in the evening. The out of town relatives were Mr. and Mrs. Frank Sobotka, of Battle Creek; Mr. and Mrs. R. V. Reznicek and daughters Laura and Frances, of Newman Grove; Mrs. R. J. Meyer, of Beatrice; Mr. and Mrs. Frank Pribil, Jr., and son Raymond, of O'Neill.

Mr. and Mrs. Meyer left for Beatrice on Saturday, where they will make their home on a farm.

HOOVER ENDORSES CITIZENS MILITARY TRAINING CAMP

D. H. Clauson of O'Neill, Nebraska, who is the County Chairman for the C. M. T. C., has just received a copy of a letter written by President Hoover commending the Citizens' Military Training Camps. The letter reads as follows:

The White House,
Washington

April 19, 1930

Mr. George F. James,
National Executive Secretary
Military Training Camps Ass'n.,
Chicago, Illinois,

My dear Mr. James:

"The Citizens' Military Training Camps have through ten years proved themselves important agencies of physical and moral health in the individual and of civic welfare in the Nation. The willingness of young men to devote a month to this training program for better citizenship is proof of good will in the generation on which will presently devolve the maintenance of our social and political institutions.

"I commend the Citizens' Camps to all fathers and mothers and to young men of suitable age in the hope and belief that the camps will show themselves as useful in the future as they have been in the past.

Yours faithfully,
(Signed) HERBERT HOOVER"

Mr. Clauson advises all young men who want to take advantage of the wonderful training and physical development available at these camps to submit their applications as soon as possible, as it is expected that a sufficient number to fill the camp quota will apply early this summer, and those who wait may be too late.

The government pays all necessary expenses for attendance at these camps, including cost of travel, food, lodging, laundry and medical attention. For application blanks or for further information, see Mr. Clauson or write the C. M. T. C. Officer, 89th Division, Fort Omaha, Nebraska.

She is a member of the orchestra, and of Beta Pi Theta, the French fraternity.

One of the most complete surprise parties that has been given in O'Neill for a long time was given on Monday evening of last week by Mrs. Walter Warner for her husband who was enjoying one of his birthday anniversaries. Walt had arranged to attend a meeting of the Lions Club that evening; it is needless to say that Mrs. Warner was compelled to use artful means to persuade her spouse to forego the Lions meeting and accept a phony invitation to a neighborly party; by the time Walt had finished milking the cow, the guests arrived and the party was on. Mrs. Warner served one of those sumptuous anniversary dinners which was followed by Bridge. Six couples were present. Mr. and Mrs. W. S. Bowen of Orchard were out of town guests.
