FOR SALE—Farm land in the Antelope valley, the milk bottle of Los Angeles. Land in the suburbs of Los Angeles is becoming so valuable for subdivision purposes that the dairyman is being crowded out. Just recently it has been discovered that water can be had in large quantities in the Antelope valley. As this promising valley is only 70 miles from the rapidly growing city of Los Angeles, and because land can still be had at a low price, farmers and dairymen are buying thousands of acres of this fine rich land. We can sell you 20 acres or more for $100 per acre, on easy terms, located one mile from a good town. This is choice alfalfa and pear land.
