READ the advertisement in another column, of the Auction Sale of town lots at Riverton, to come off Feb. 12th. A bridge will be built over the Republican, at that point, during the coming spring, and the location of the town is such that it can hardly fail to become an important place.

THE Literary Society met in the School House on Saturday evening last, and perfected an organization by adopting the Rules and Regulations of the old Society. The Woman's Rights question was discussed, with Wilcox leader in affirmative, and Kaley in the negative, each assisted by volunteers. This Society can be made entertaining and instructive if our people will take an interest in the matter. We shall give fuller reports hereafter.

"HEAPS" of New Goods at GARBER & Co's.

LINCOLN FLOUR.
BEST Flour ever brought to the Republican Valley, at BERENZEN & Co's

THE CHIEF is now acknowledged to be the leading paper in the Valley.

WE are told that Mr. A. T Reed, on Indian Creek, threshed 83 bushels of wheat from 4 bushels of seed, sown last spring. This shows what our soil will do. Have since heard of a bigger yield in Harmony precinct.

THE Amateur Minstrels will give an entertainment at the Masonic Hall, in Red Cloud, on Tuesday eve, January 27th, consisting of Songs, Dances, Burlesques, Dramas, etc., etc. Admission, 25 cents.

LAST Thursday night, in company with Mr. Metcalf, C. H. Potter, and Dr. J. A. Tulleys, we made a second visit to Riverton. The occasion, was a meeting for the purpose of organizing a Lodge of the I. O. O. F. and we are pleased to state that the requisite number of members, were found in the vicinity, and the necessary funds raised to get started. We were hospitally received and entertained by our friends, and had a very pleasant time generally. Would like to mention all we met by name, but cannot at this time.

WE notice that a number of persons have been in the habit of shooting around rather carelessly with shot guns, revolvers, etc., sometimes simply to get a load out of a gun, at dogs, or for fun, perhaps, thereby endangering the lives of others. A little care should be taken or serious results may follow. Twice within a week we have heard a bullet whiz through the air, at no great distance. Be a little careful with your fire arms.

THE person that has got those Doubletrees and Neckyoke belonging to the estate of Francis H. White will please return them to Ed. Smith's Blacksmith shop, as they are wanted.

30 H. S. KALEY, Executor.

THE renomination of CALEB CUSHING for Chief Justice has been withdrawn at his own request, it being morally certain that the Senate would not confirm him. Many reasons are assigned for this opposition, among which advanced age, and an alleged correspondence with the rebel leaders, shortly after the war broke out,

[redacted]

AGAIN, we call attention to that hole on the corner where the Court House formerly stood. Somebody will get a broken neck, or a team will run into it, and then there will be a row about the matter. If there is anybody with the authority to order it filled up, let it be done at once.

FROM the *Paint Valley Times*, published at Bainbridge, Ohio, we clip the following:

We had the pleasure of a call this week from Col. Lee Estelle, of Neb. He is here on a short visit among his friends, after an absence of three years spent on the frontier. In health and appearance he is a true type of a frontiersman, and looks as though a hand to hand encounter with a *Comanche* or an open field fight with a wild Buffalo would be a mere pleasure or past time.

We notice in the Red Cloud *Chief*, under the head of Official Directory the names of J. A. Tulleys, County Clerk and I. W. Tulleys, Probate Judge. Both of these gentlemen were formerly of this place, and we venture the assertion that the citizens of Webster county, could have made no better selection for the above offices.

WE have heretofore neglected to notice the receipt of the Lincoln *Daily Journal*, the best representative of a western newspaper published between the "Big Muddy" and the Rocky Mountains. The Journal has particular claims upon the people of Western Nebraska, as being the only paper of influence in the State, which advocated the rights of the western counties to increased representation. We have received many courtesies from the publishers of that paper, but the greatest favor of all is to receive their daily in exchange for our little "one horse" weekly.

JUST as we were going to press Mr. O'Sullivan, of Riverton, favored us with a call.
