Two-foot Flier in knock down form with planes, motor power, propeller, instructions for building $1 prepaid. Yale Mfg. Co. M. O., Newark, N. J.

RUPTURE CURED FREE

By Stuart's Plapao-Pads means that you can throw away the painful truss altogether, as the Plapao-Pads are made to cure rupture and not simply to hold it, being self-adhesive and when adhering closely to the body slipping is impossible, therefore, they are also an important factor in retaining rupture that cannot be held by a truss. No straps, buckles or springs—cannot slip, so cannot chafe or press against the public bone. Thousands have successfully treated themselves at home without hindrance from work and conquered the most obstinate cases. Soft as velvet—easy to apply—inexpensive. Awarded Gold Medal. Proofs of recovery is natural, so no further use for truss. We prove what we say by sending you Trial of Plapao and a most convincing mass of evidence absolutely FREE—you pay nothing for it, now, or ever. Write your name on a postal and mail TODAY. Address, Plapao Laboratories, Block 379, St. Louis, Mo.
