OFFICIAL PAPER OF SIOUX COUNTY.

Geo. D. Canon, - - - Editor.

Entered at the Harrison post office as second class matter.

CANON OWNS THE JOURNAL.

A statement was made to the editor of THE JOURNAL and one other party, and in the presence of others one day the fore part of the week by a certain person that it was generally believed by those who were opposed to the new policy, —or a certain class of them—of THE JOURNAL, that one of our county officials was the owner of THE SIOUX COUNTY JOURNAL, intimating thereby that the editor of this paper was imported to run THE JOURNAL for and in behalf of Mr. County Official and that we are as clay in the hands of the potter to be moulded and fashioned, to will and to do as the gentleman might see fit in the future for his own self aggrandizement.

For the benefit of those who have no business of their own to attend to and no other motive in life but to maline others character, circulate falsehood without a semblence of truth to them, for no other purpose than to do thair fellow man a personal injury, and if possible to make one's business and life a failure; for the benefit of this class we repeat, the statement is absolutely false and has no foundation whatever. To those who are so curious and meddlesom to know all about the business affairs of THE JOURNAL and its editor are requested to visit the office of the county clerk and examine the records where they will find out to their satisfaction that THE JOURNAL is not owned or run by a stock company also, that no person or persons in Harrison, Sioux county or the state of Nebraska owns a dollar's worth of THE SIOUX COUNTY JOURNAL printing outfit, good will or mailing list.

For any further particulars in regard to our affars, all who feel so inclined are requested to call on Mr. Simmons, the former editor who can and will give any information desired about the ownership of THE JOURNAL, or call at the office and we will be only too glad to accommodate all who come, giving a complete history of the purchace and present ownership of THE JOURNAL plant and jobbing outfit.

Respectfully,
GEO. D. CANON, Editor.

Sioux County,

A new county with schools, churches, railroads, etc.,

AND 800,000 ACRES YET OPEN.

NO BONDS, NO DEBITS, LOW TAXES.

Contains over forty-five miles of rail oad and has no county bonds.

Fuel, Posts, Logs and Lumber Cheaper Than at any Other Place in Nebraska.

Good Location for Stock Growers.

Sioux county is the northwest county of Nebraska. It is about thirty miles east and west by about seventy miles north and south and contains

OVER 1,300,000 ACRES

of land. There are more bright, sparkling, small streams in the county than can be found in the same area elsewhere in the state. It has more pine timber in it than all the rest of the state combined. Its grasses are the richest and most nutritious known so that for stock-growing it is unexcelled.

The water is pure and refreshing and is found in abundance in all parts of the county.

The county is practically out of debt and has over forty-five miles of railroad within its borders, has a good brick court house and the necessary fixtures for running the county and there has never been one dollar of county bonds issued and hence taxes will be low.

The Fremont, Elkhorn & Missouri Valley railroad crosses Sioux county from east to west, and the B. & M. has about fifteen miles of its line in the northeast part of the county.

The climate is more pleasant than that of the eastern portion of Nebraska.

There is still

Good deeded land can be purchased at reasonable rates with government land adjoining so that a person who wants more than one quarter section can obtain it if he has a little means.

There are about 1,500 people in the county and there is room for thousands more.

Harrison is the county seat and is situated on the F. E. & M. V. railroad, and is as good a town as the thinly settled country demands.

School houses and churches are provided in almost every settlement and are kept up with the times.

All who desire to get locations suitable for stock raising and buy cheap land are invited to come and see the country for themselves and judge of its merits.

STOCK BRANDS.

THE JOURNAL will publish your brand, like the following, for $1.00 per year. Each additional brand 75 cents. Every farmer or ranchmen in Sioux and adjoining counties should advertise their brands in THE JOURNAL as it circulates all over the state. It may be the means of saving money for you.

Interests You.

Offer of cheap reading matter you can't afford to miss.

During the great campaign people want newspapers and want them while they are fresh and newsy. The Semi-Weekly State Journal, Lincoln, Neb., supplies the demand, as it will be mailed twice a week from now until January 1, 1897, for 25 cents, or from now until January 1, 1898, for one dollar. The twenty-five cent proposition takes you all through the campaign, gives you the election returns, and through the balance of this year. A dollar for the great twice-a-week paper from now until January 1, 1898, is the biggest offer ever made to readers. All through the campaign, all through the Nebraska legislature, the congresses and the inauguration of a new president. Never since the war has so many incidents of vital interest to the masses been crowded into sixteen months, as there will be during this period. The Semi-Weekly Journal is almost as good as a daily. Send your order direct or give it to your postmaster.
