—By some means unknown to us the U. P. candidate for Congress received votes from delegates instructed to use their votes and influence against the Hitchcock party, Merrick, Lawson, Furnas, Red Willow, Hamilton, Clay, and other counties cast a part of all their votes for the U. The Bloomington *Hustler* has been investigating the reform business. It reports:

John Kelly calls it "re-far-rum." George W. Julian calls it "re-form." Lieutenant Hobbs calls it "re-form," the Hon. John Morrissey calls it "ref-form." Charles Francis Adams calls it "refawm." Boss Tweed, with his Spanish accent, calls it "ra-form." Bill Allen lays back the top of his head and calls it "ref-o-o-o-rw-awm!" and the American people, with a correct appreciation of its nature, calls it "humbug."

—We cannot be to careful about fire. Again the frosts have come and nipped the grasses and weeds, and they are dying fast in the sun and dry winds. Some action has already been taken to form a fire guard about our town, but still we are in danger. Let us see to it that we are safe, and then when the fire fiend comes we can lie down and rest through the night without fear.
