MEET ME TODAY in the well-built home on the corner of 42d and Mayberry, in Leavenworth Heights; look it over, examine construction, materials, workmanship, finish and arrangements. You will then know what I mean by Well Built. You will find a beautiful six-room bungalow, complete in every detail, from the basement to the sleeping porch; you will not be disappointed; also have two five-room bungalows with the same high-class construction in same addition, that are rapidly nearing completion. Look them over now while under construction; you can see more of the workmanship now than when finished. The house will be warm and comfortable. Take West Leavenworth car, get off at 42d and come south to corner 43d and Mayberry.
