A valuable lot and business house for sale. Address this office

Mr. A. T. Ball is at Blue Springs, at present, but will return in the spring.

The W. C. T. U. will meet at the house of Mrs. Bent, at 3. P. M. on Friday Jan. 21.

Go to Roby's for your tobacco, he has the finest assortment in town, also the best lot of cigars to be had.

The Mercury has been fooling around zero all winter—something rather unusual in this country.

Mrs. Maggie Mobley of the Grand Island Independent, sends out a very fine almanac, to the patrons of her paper.

Go to Roby's for canned fruits, dried fruit, green fruit, raisins, citron, macaroni, farina, tapioca, or anything else that's nice.

Mr. Magee, of the firm of Jones & Magee, lumber dealers, came in from his home in Cresten Iowa, last Thursday.

Mr. S. McMinn, one of the CHIEF's old substantial friends called last Saturday and renewed his subcription to the best paper in the County.

Just received at Roby's,—Silver Thread Sourkraut, New Bacon, fresh Shell Bark Hickory Nuts, Black Walnuts, 5lb pails of lard, and Boss syrup in kegs.

It must be good, for everybody recommends it, and doctors prescribe it. We mean Dr. Marshall's Lung Syrup, the great cough remedy. Sold by all druggists.

The Republican Valley soap factory is one of the established institutions of this town. The soap has been put on the market. We hope the proprietor will find in it a bonanza.

Mothers do not let your darlings suffer with the whooping-cough. Use Dr. Marshall's Lung Syrup and the little sufferer will soon find relief. Only 25 cents and 50 cents a bottle.

A number of the boys gathered together on Wednesday of last week and went out on a wolf hunt. It is, perhaps, needless to say that the "General" did not show himself. We did not hear of any game being captured.

The county commissioners proceedings and considerable other matter that was handed in for publication this week will have to stand over until next week on account of the annual report of the county treasurer which occupies a large amount of our space this week.

Mr. Holleran of the Commercial house evidently understands the secret of successfully conducting a hotel, judging by the business he is already doing. Having but recently opened up in this place, he has already all the custom that his limited room will allow him to entertain. When you stop in Red Cloud give the Commercial a trial.

The sweeping tide of prosperity is shown by the immense increase of business in the Patent Office, General Land Office, Pension Office, and other Departments of the Government. Patent cases, Pension claims, Contested Land entries, or other business placed in the hands of Presbrey & Greene, Attorneys, 529 7th st., Washington D. C., will have immediate attention.

Enclose stamp for information.

We are in receipt of a neatly-bound set of the various editions of Ayer's Almanac, containing not only specimens of the languages above named, but also some pages of Turkish American, Greek, Bulgarian, and Chinese. The book is neatly printed and free from objectional cuts. Ayer's Almanac is always a safe book for the family. The collection before us is a literary curiosity, and a remarkable example of enterprise and liberality. The annual edition is from ten to eleven millions, for free circulation.

The persistence with which some weak minded individuals strive to gain notice at the hands of the press, and the means employed by them with a view to getting up a controversy with an editor of a newspaper for the purpose of gaining a little cheap notoriety, would be amusing, were it not so disgusting. Guide Rock is cursed by the presence of an individual of this kind. Experience and observation have taught us that the very worst punishment that can possibly be inflicted upon an individual of this kind is to refuse to allow his name to appear in the newspaper.

Farming implement dealers are preparing to furnish the farming community with every thing that they may need in the machinery line the present season. A. A. Pope has formed a partnersdip, with Mitchell & Morhart, and the firm of Pope & Co., will soon be ready to cater to the wants of the agricultural classes. Mr. Spanogle has taken Mr. Funk as a partner in his business and will open up with a full stock of machinery in the spring. The above named gentlemen are all well known as good business men, and the people may congratulate themselves on the fact that they have two responsible implement firms to buy their machinery from.

SUNDAY MAGAZINE FOR FEB'Y.

This is the second number of the ninth volume of this excellent periodical, which is now conducted, we see by the Rev. Alfred Taylor, an experienced correspondent and editor. The former editor of THE SUNDAY MAGAZINE, Rev, Dr, Deems, will, it is announced, be henceforth a regular contributor, and other attractive features been added which will increase its already great popularity. The present number is literaly crowded with good things of which our space will only permit a general notice. "The Temperance Movement," by Alfred H. Gurnsey, "Missionary Success in Tahiti," by the Rev. Daniel Ekwards, "Characteristics of the Esquimaux," are replete with interest and information, and liberally illustrated. "Hard Places in the Bible," by Rev. Dr. Deems; "Women of the Bible," "International Sunday-school Lessons," "The Home Pulpit," etc., are among the many noteworthy features. In the department of fiction "Out of the World" is continued, and there are numerous short stories, sketches, essays and poems by distinguished writers. The miscellany is unusually abundant. In fact, the number is a rarely attractive one in its literary and artistic features, and highly creditable ot the editor. It contains 128 quarto pages and over 100 illustrations. $3 a year; single copy, 25 cents—postpaid. Frank Leslie's Publishing House 53, 55 and 57 Park Place, New York.

If you want to increase the quantity and quality of milk, feed your cow ground feed. Putnam will send it to you.

It is generally conceded that A. Lauterbach makes the best bread to be found in town, and the secret of his success in the bread making line lies in the fact that he uses the superior flour, which is the best flour made, and is for sale only at Miner Bros. Call and get a sack and be convinced.

Every woman who has experience in bread making knows some thing of the difficulty in always getting the best results during the winter season when the "yeast gets chilled" and the dough won't work just right. The best thing you can do under such circumstances is to buy your bread of Lauterbach who uses *only Red Cloud Patent flour*. C. E. Putnam sells it.

Kendall's Spavin Cure.

The most successful Remedy ever discovered, as it is certain in its effects and does not blister. Read proof below.

FROM REV. P. N. GRANGER.

Presiding Elder of the St. Albans District, St. Albans, Vt., Jan. 20th, 1881.

DR. B. J. KENDALL & CO., Gents:—In reply to your letter I will say that my experience with Kendall's Spavin Cure has been very satisfactory indeed. Three or four years ago I procured a bottle of your agent, and with it cured a horse of lameness by a spavin. Last season my horse became very lame and I cured him on for a few weeks when he became better, but when I put him on the road he grew worse, when I discovered that a ringbone was forming. I procured a bottle of Kendall's Spavin Cure and with less than a bottle cured him so that he is not lame, neither can the bunch be found.
Respectfully yours, P. N. GRANGER.

PERSEVERANCE WILL TELL.

Stoughton, Mass., March 10th, 1880.

B. J. Kendall & Co., Gentlemen:—In justice to you and myself, I think I ought to let you know that I have removed two bone spavins with Kendall's Spavin Cure, one very large one, don't know how large the spavin had been there. I have owned the horse eight months. It took me four months to take the large one off and two for the small one. I have used ten bottles. The horse is entirely well, not at all stiff, and as much to be seen or feel. This is a wonderful medicide. It is a new thing here, but if it does for all what it has done for me the sale will be very great. Respectfully yours,
CHAS. E. PARKER.

Send address for Illustrated Circular which we think gives positive proof of its virtues. No remedy has ever met with such unanswerable testimony to our knowledge, for beast as well as man.

Price $1 per bottle, or six bottles for $5. All Druggists have it or can get it for you, or it will be sent to any address on receipt of price by the proprietors. B. J. KENDALL & CO.,
