AYER'S PILLS.
FOR ALL THE PURPOSES OF A
FAMILY PHYSIC.
THERE has long existed a public demand for an effective purgative pill which could be relied on as sure and perfectly safe in its operation. This has been prepared to meet that demand, and an extensive trial of its virtues has conclusively shown with what success it accomplishes the purpose designed. It is easy to make a physical *pill*, but not easy to make the best of all *pills*—one which should have none of the objections, but all the advantages, of every other. This has been attempted here, and with what success we would respectfully submit to the public decision. It has been unfortunate for the patient hitherto that almost every purgative medicine is acrimonious and irritating to the bowels. This is not. Many of them produce so much griping pain and revulsion in the system as to more than counterbalance the good to be derived from them. These *pills* produce no irritation or pain, unless it arise from a previously existing obstruction or derangement in the bowels. Being purely vegetable, no harm can arise from their use in any quantity; but it is better that any medicine should be taken judiciously. Minute directions for their use in the several diseases to which they are applicable are given on the box. Among the complaints which have been speedily cured by them, we may mention Liver Complaint, in its various forms of Jaundice, Indigestion, Languor and Loss of Appetite, Listlessness, Irritability, Bilious Headache, Bilious Fever, Fever and Ague, Pain in the Side and Loins; for, in truth, all these are but the consequence of diseased action in the liver. As an aperient they afford prompt and sure relief in Costiveness, Piles, Colic, Dysentery, Humors, Scrofula and Scurvy, Colds with soreness of the body, Ulcers and impurity of the blood, Irregularities; in short, any and every case where a purgative is required.
They have also produced some singularly successful cures in Rheumatism, Gout, Dropsy, Gravel, Erysipelas, Palpitation of the Heart, Pains in the Back, Stomach, and Side. They should be freely taken in the spring of the year, to purify the blood and prepare the system for the change of seasons. An occasional dose stimulates the stomach and bowels into healthy action, and restores the appetite and vigor. They purify the blood, and, by their stimulant action on the circulatory system, renovate the strength of the body, and restore the wasted or diseased energies of the whole organism. Hence an occasional dose is advantageous, even though no serious derangement exists; but unnecessary dosing should never be carried too far, as every purgative medicine reduces the strength, when taken to excess. The thousand cases in which a physic is required cannot be enumerated here, but they suggest themselves to the reason of every body; and it is confidently believed this pill will answer a better purpose than any thing which has hitherto been available to mankind. When their virtues are once known, the public will no longer doubt what remedy to employ when in need of a cathartic medicine. Being sugar-wrapped, they are pleasant to take, and being purely vegetable, no harm can arise from their use in any quantity.
For minute directions, see wrapper on the Box

AYER'S
CHERRY PECTORAL,
For the rapid Cure of
COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION.
THIS remedy has won for itself such notoriety from its cures of every variety of pulmonary disease, that it is entirely unnecessary to recount the evidences of its virtues in any community where it has been employed. So wide is the field of its usefulness, and so numerous the cases of its cures, that almost every section of the country abounds in persons publicly known, who have been restored from alarming and even desperate diseases of the lungs by its use. When once tried its superiority over every other medicine of its kind is too apparent to escape observation, and where its virtues are known, the public no longer hesitate what antidote to employ for the distressing and dangerous affections of the pulmonary organs which are incident to our climate. Not only in formidable attacks upon the lungs, but for the milder varieties of COLDS, COUGHS, HOARSENESS, &c.; and for CHILDREN it is the pleasantest and safest medicine that can be obtained.
As it has long been in constant use throughout this section, we need not do more than assure the people its quality is kept up to the best that it ever has been, and that the genuine article is sold by—

CAPT. JOE HOLLAND.

The new, swift, and magnificent passenger and freight steamer ALONZO CHILD, JOE HOLLAND Master, will, upon the opening of navigation, resume her regular trips, in the above trade, and to all the intermediate points on the Missouri river. Her patrons can rely not only upon her continuing in the trade during the entire boating season, but of finding this season, as during the past, that for quickness and regularity of trips, as well as superiority of passenger accommodations, and general arrangements, that they are not excelled by those of any other boat running on the rivers having recently been placed in the most unexceptionable condition throughout, preparatory to engaging in the approaching season's business.
The steamer Alonzo Child, is new, having run but a portion of one season, and for the very liberal patronage she has received, Capt. Holland desires to present his thanks to his friends, and to say to them that they will find his boat and officers fully up to the standard of a first class, well officered Missouri River passinger steamer, and as such hopes to receive a reasonable share of the patronage of the shippers and the public generally.

McCORMICK'S
Reaper & Mower for 1858
C. HYATT & Co., Agents,
St. Joseph, Missouri,
Is again offered to the farmers of Missouri, and Nebraska, as the best Reaper in the world, and the best combined Reaper and Mower, and is so warranted. For five years past I have avoided attending the various State and County Fairs, for the purpose of seeking premiums, regarding my machine as too well known to need that sort of commendation. In July last the United States Agricultural society, at their Fair at Syracuse, New York, awarded to me a
GOLD MEDAL and DIPLOMA.
For the best reaper, after a severe test, in heavy tangled rye over hilly and uneven ground. Also the 'Great Council Medal' was awarded by the exhibition of all nations in London in 1851 to C. McCormick, on the ground of the originality and value of his AMERICAN REAPER, and also at the great French Exhibition at Paris, in 1855, was awarded the Grand Gold Medal of Honor. Also the highest prize awarded to any reaping machine by the Royal Agricultural Society of England in 1857, and still more glorious, the highest satisfaction and approval of over 100,000 farmers of my own country.
Farmers desiring the McCormick Reaper and Mower for the present year will secure by leaving their orders should be sent on before the 1st day of March next.

VICTORIOUS OVER PAIN.
BRAGG'S ARCTIC LINIMENT.

Agony or ease!—Sickness or health!—Life or death! These are the questions involved in the adoption or rejection of this specific by the martyrs to external diseases and injuries. Having received the indorsement of the distinguished *saxon*, the late Dr. KANE, and its efficacy tested during two awful Winters in the regions of eternalice, it is now coming into general use in every section of the civilized globe, and its marvelous cures are everywhere exciting astonishment.
THE AFFLICTED REJOICE.

HUNDREDS and THOUSANDS have tested its virtues, and are rejoicing in freedom from long lingering PAIN and DISEASE, which other remedies had failed to cure. Have you the BRONCHITIS, NEURALGIA, RHEUMATISM, SCROFULA, EARACHE or TOOTH-ACHE—Are you afflicted with OLD SORES—Suffering from BRUISES, SPRAINS, CORNS, SORE EYES, PILES?
THE ARCTIC LINIMENT will afford you instant relief. Every body is liable to
BURNS AND SCALDS.

For these dreadful accidents the ARCTIC LINIMENT should be kept on hand, for it affords sure and immediate relief, often saving from death. Every steamboat and railroad train should keep it. Who that has heard the shrieks of anguish uttered by the scalded and maimed victims of explosions and collisions, does not feel that some means of relieving their torture should always be accessible? Such does exist in this balmy pain controlling agent. It is
THE MOTHERS' COMPANION.

It cures CAKES IN THE BREAST, SORE NIPPLES, SORE LIPS, BOILS, &c. Ladies who prize a pure skin void of pimples, blotches, scurf and all discolorations and excrescences, should attack these trespassers on beauty's domain as soon as they appear with the ARCTIC LINIMENT. It is excellent for the Hair, giving it a healthy, glossy appearance. It is
GOOD FOR MAN AND BEAST.

It is a sovereign remedy for the various diseases with which horses are afflicted, curing the most alarming cases of BRUISES, SPRAINS, STRINGHALT, WOUNDS, SCRATCHES, SWEENY, SPAVIN, RINGBONE, BIG-HEAD, FOUL-EVIL, &c. No farmer, livery stable keeper, or any person owning valuable HORSES, should be without this valuable remedy.
For sale by all respectable Druggists and Dealers.
Prices of the Liniment, 25 cents, 50 cents and $1 a bottle. A one-dollar bottle contains as much Liniment as eight twenty-five-cent bottles
EXTRAORDINARY ANNOUNCEMENT.

Certificate of subscription and full particulars of the novel and philanthropic enterprise, of which this offer forms a part, will accompany each bottle.
