The Economy of Using THE FRANKLIN Family Sewing Machine.

These machines make the celebrated *GROVER & BAKER STITCH* which has taken the highest premium at the Illinois State Fair, in September last, at the United States Fair in St. Louis, in 1860, and at the principle State Fairs throughout the country.

Competent Judges gave a decision in favor of this stitch, on account of its great strength and adaptation to all kinds of family and manufacturing purposes.

The following Table will show the difference in favor of Sewing Machines over the old method of stitching by hand. In the working of these Machines there is not only a great saving of labor and time besides adding greatly to the healthfulness of the employment, but the stitch is much stronger, more elastic, and less liable to rip or ravel than the stitch made with shuttles and bobbins.

The Franklin Family SEWING MACHINE.

Has one advantage which is worthy of especial attention, in addition to the peculiar character of the stitch, and that is its adaptation to either light or medium heavy work. The Machine which at one moment is used on *THE MOST DELICATE FABRIC*, a few moments after can be brought to bear with the same facility on cottonades and towels of the coarsest description. Its adaptation for *FAMILY USE* makes it remarkable, and gives it a superiority over every other style of machine in the Market.

In order that these Machines may be placed in the hands of all classes, we have reduced the price of our *FRANKLIN FAMILY MACHINE TO FORTY DOLLARS.* From the increase of our business for the last year, and the entire satisfaction our Machines are giving throughout the United States and European Countries, we are led to believe that our determination to manufacture a *PERFECT, SIMPLE, RELIABLE AND CHEAP MACHINE* has been fully appreciated by the public. This policy will remain unchanged, and as heretofore no Machine will be allowed to leave the office that we cannot fully warrant in every respect.—We shall keep on hand at all times a general assortment of Sewing Machine materials.

Needles for all machines can be ordered by Mail or Express. Price One Dollar per Dozen.

Persons in the country by sending us their address enclosing a letter stamp, can have forwarded by return mail, one of our circulars containing the different styles of Machines, list of prices, and samples of work.

GREAT IMPROVEMENTS IN
SEWING MACHINES.
EMPIRE SHUTTLE MACHINE.
Patented February 14th, 1860

Salesroom, 510 Broadway,
NEW YORK.

This Machine is constructed on an entirely new principle of machinery, possing many rare and valuable improvements, baving been examined by the most profound experts, and pronounced to be SIMPLICITY and PERFECTION COMBINED.

The following are the principal objections urged against Sewing Machines.—

1.—Excessive fatigue to the operator.	1.—Incapacity to sew every description of material.
2.—Liability to get out of order.	5. Disagreeable noise while in operation.
3.—Expense, trouble and loss of time in repairing.	

The Empire Sewing Machine is Exempt from all these objections.

It has a straight needle perpendicular action makes the LOCK or SHUTTLE STICH, which will NEITHER RIP nor RAVEL, and is alike on both sides; performs perfect sewing on every description of material, from Leather to the finest Nansook Murlin, with cotton, linen or silk thread, from the coarsest to the finest number.

Having neither CAM nor COG WHEEL, and the least possible friction, it runs as smoothly as glass, and is

Emphatically a Noiseless Machine!

It requires twenty-five per cent. less power to drive it than any other Machine in market. A girl of twelve years of age can work it steadily, without fatigue or injury to health.

Its strength and WONDERFUL SIMPLICITY of construction render it almost impossible to get it out of order, and is GUARANTEED by the company to give entire satisfaction.

We respectfully invite all those who may desire to supply themselves with a superior article, to call and examine this UNRIVALLED MACHINE.

But in a more special manner do we solicit the patronage of

To which I would beg leave to call the attention of the people of Nebraska, Kansas, Colorado, Iowa and North-west Missouri.

☞ My terms will be as low as any reliable eastern Nursery.

By purchasing of me the expense of transportation from the east can be saved.

All trees and plants are carefully labeled and packed in the best manner, for which a charge of the actual cost will be made. No charge will be made for the delivery of packages on board steamboats.

THE DAY SCHOOL BELL.

THE DAY SCHOOL BELL.—A New Singing Book for Day Schools, called the DAY SCHOOL BELL, is now ready. It contains about 200 pages of choice Songs, Songs, Rounds, Catches, Duets, Trios, Quartets and Choruses, many of them written expressly for this work, besides 32 pages of the Elements of music. The Elements are so easy and progressive that ordinary teachers will find themselves entirely successful in instructing even young scholars to sing correctly and scientifically, while the tunes and words embrace such a variety of lively, attractive, and soul stirring music and sentiment, that no trouble will be experienced in inducing all beginners to go on with zeal in acquiring skill in one of the most health-giving beauty improving, happiness yielding, and order producing exercise of school life. In simplicity of its Elements, in variety and adaptation of music, and in excellence and number of its songs, original, selected, and adapted, it claims by much to excel all competitors. It will be found to be the best book ever issued for Seminaries, Academies and Public Schools. A few sample pages of the elements, tunes and songs are given in a circular; send and get one. It is compiled by Horace Waters, author of "Sabath School Bells," Nos. 1 and 2, which have had the enormous sale of 655 000 copies. Prices—paper covers 20 cts., $15 per hundred; bound 30 cents, $22 per hundred; cloth bound, embossed gilt 40 cents; $30 per hundred. 25 copies furnished at the one hundred price. Mailed free at the retail price.

NOTICES OF THE PRESS.

THE DAY SCHOOL BELL.—The tunes are lively, and such as may be easily mastered by children. The spirit of the songs is unexceptionable and well adapted to the school room. It is the cheapest and among the best compends of school music published.—*New York Teacher.*

DAY SCHOOL BELL.—This book is eminently adapted for use in our common schools.

We have a great number of school song books before the public, but many of them lack musical as well as literary taste, and are really demoralizing in their influence upon the musical talent of the young. Airs of acknowledged excellence, wedded to words of true poetry are the qualities that ought to be sought with the greatest care in the preparation of a school song book. This book seems to combine these two qualities.—*Pennsylvania School Journal.*

TO THE PEOPLE OF THE UNITED STATES.

In the month of December, 1858, the undersigned for the first time offered for sale to the public DR. J. BOVEE DODS' IMPERIAL WINE BITTERS, and in the short period they have given such universal satisfaction to the many thousands of persons who have tried them that it is now an established article. The amount of bodily and mental misery arising simply from a neglect of small complaints is surprising, and it is therefore of the utmost importance that a strict attention to the least and most trifling bodily ailments should be had; for disease of the body must invariably affect the mind. The subscribers now only ask a trial of

DR. J. BOVEE DODS'S Imperial Wine Bitters

from all who have not used them. We challenge the world to produce their equal.

These Bitters for the cure of Weak Stomachs, General Debility, and for Purifying and Enriching the Blood, are absolutely unsurpassed by any other remedy on earth. To be assured of this, it is only necessary to make the trial. The wine is of a very superior quality being about one-third stronger than other wines, warming and invigorating the whole system from the head to the feet. As these bitters are tonic and alterative in their character, so they strengthen and invigorate the whole system and give a fine tone and healthy action to all its parts, by equalizing the circulation removing the obstructions and producing a general warmth. They are excellent for diseases and weakness peculiar to Females, where a tonic is required to strengthen and brace the system. No lady who is subject to lasitude and faintness, should be without them, as they are revivifying in their action.

THESE BITTERS

Will not only Cure but Prevent Disease.

and in this respect are doubly valuable to the person who may use them for

INSIPIENT CONSMMPTION

weak Lungs, Indigestion, Dyspepsia, diseases of the Nervous system, Paralysis, Piles, and for all cases requiring a Tonic.

DR. DODD'S Celebrated Wine Bitters Are Unsurpassed.

For Sore Throat so common among the Clergy they are truly invaluable.

For the aged and infirm, and for persons of weak constitutions. For ministers of the gospel, lawyer and all public speakers—for book-keepers tailors seamstresses, students artists and all persons leading a sedentary life, they will prove beneficial.

As a beverage they are wholesome, innocent, and delicious to the taste. They produce all the exhilarating effects of brandy or wine, without intoxicating; and are a valuable remedy for persons adicted to the use of excessive strong drink and who wish to refrain from it. They are pure and entirely free from the poisons contained in the adulterated wines and brandies with which the country is flooded.

These bitters not only CURE but prevent disease and should be used by all who live in a country where the water is bad or where chills and fever are prevalent. Being entirely innocent and harmless, they may be given freely to children and infants with impunity.

Physicians and Clergymen and temperance advocates as an act of humanity, should assist in spreading these valuable bitters over the land, and thereby essentially banish drunkenness and disease.

In all affections of the Head, Sick Headache, or Nervaous Headache, Dr. Dod's Imperial Wine Bitters Will be found to be most Saintarn and Efficacious.

FEMALES.

The many certificates which have been tendered us and the letters which we daily receive, are conclusive proof that among the women these Bitters have given a satisfaction which no others have ever done before. No woman in the land should be without them, and those who once use them, will not fail to keep a full supply.

DR J Bovee Dod's IMPERIAL WINE BITTERS,

Are prepared by an eminent and skillful physician, who has used them successfully in his practice for the last twenty five years. The proprietor before purchasing the exclusive right to manufacture and sell Dr. Bovee Dods' Celebrated Imperial Wine Bitters, had them tested by two distinguished medical practitioners, who pronounced them a valuable and safe remedy for disease.

Although the medical men of this country, as a general thing, disapprove of Patent Medicines yet we do not believe that a respectable Physician can be found in the United States, acquainted with their medical properties, who will not highly approve Dr. Dod's IMPERIAL WINE BITTERS

In all newly settled places, where there is always a large quantity of decaying timber, from which a poisonous miasma is created, these bitters should be used every morning before breakfast.

DR. J. BOVEE DODS' IMPERIAL WINE BITTERS

Are composed of a pure and unadulterated wine, combined with Barberry, Solomon's Seal, Comfrey, Wild Chery Bark Spiknard Camomile Flowers, and Gentian. They are manufactured by Dr Dods himsel, who is an experienced and successful physician, and hence should not be classed among the quack nostrums which flood the country, and against which the medical profession so justly denounce.

These truly valuable Bitters have been so thoroughly tested by all classes of community, for almost every variety of disease incident to human system, that they are now deemed indispensable as a

Tonic, Medicines and a Beverage.
