OSAGE ORANGE HEDGING.

The undersigned has located in the Territory of Nebraska, for the purpose of raising *OSAGE Plants* and setting out and making Fence of the same, I shall cultivate and tend the same for three years, and give the same time to pay for it, at a charge of from ONE dollar and TWENTY FIVE cents to TWO dollars per Rod. I shall set out the Plants next Spring, commencing near the Kansas line and go as far up as Omaha, and probably some distance beyond, taking a strip of country 30 or 40 miles wide, and beyond that if there will be enough to do to make it an object for me to go there.

HOW TO PREPARE THE GROUND.

To all who wish me to do their Fencing prepare you ground in the following manner: If it is Prairie plow a strip one rod wide leaving a dead furrow in the centre, plow from one and a half to two inches deep; in the Fall harrow it, then back furrow it; again in the Spring harrow and your ground is ready for the Plants. In old ground back furrow in August before the weeds go to seed.

Any one having a large tract of land to fence, and would rather I should take part of the land for my pay, I will do so to those who wish me to make them a fence, write to me at Brownville, and let me know how much you want me to fence for you, and I will call at your residence sometime between now and the first of January next, and make a special contract with you. I shall also, have all kinds of Fruit Trees, Flowers, Evergreens, Shrubbery for sale, all grown in the Territory and acclimated. To Those who are raising Plants, of their own, and would like me to make their hedge for them I will take their Plants in part pay, or I will tell them how to make a good fence, and the speediest and best way to make it; also the best way to save the Plants during the first and second winter. Those buying Plants of me will get the receipts fre.

If there is any man in the Territory, that can give better instructions, I will give him one thousand dollars for it. I also furnish a receipt for destroying the Gopher, for fifty cents, etc.

Agents wanted to canvass in Kansas, Nebraska Iowa and Missouri, they can easily make from one to three hundred dollars per month, clear of expenses. Address, MATHEW McKEIGHAN.

THE SILVER SKIRT!

More Durable,

More Elastic,

More Graceful.!

And will keep its Shape and retain its Place than any other Skirt.

This beautiful style of Skirt (Patented March 7 1865,) was awarded by the GREAT AMERICAN INSTITUTE FAIR, held in New York, October, 1865, a

SILVER MEDAL!

The Highest Premium ever given for a Hoop Skirt

The Steel Springs are wound with a fine plated, wire (in place of a cotton covering) which will not wear off or become soiled, and the whole Skirt may be washed without injury or fear of rusting and will be as good as new.

The Combination Silver Skirt!

This invention combines with the ordinary cotton Skirt the advantages of our SILVER SKIRT: the bottom hoops are the same as those used in the Silver Skirt, the covering of which cannot wear off while the upper ones are covered with cotton. No lady, having once worn one of our Skirts, will be willing to wear any other, as the lower hoops of all other kinds are soon injured and soiled.

The best materials are used in their construction and from their durability and neatness they are destined to become

THE GREAT FEMALE REMEDY FOR IRREGULARITIES.

These Drops are a scientifically compounded fluid preparation, and better than any Pills, Powders, or Nostrums. Being liquid, their action is direct and positive, rendering them a reliable, speedy and certain specific for the cure of all obstructions and suppressions of nature. Their popularity is indicated by the fact that over 100,000 bottles are annually sold and consumed by the ladies of the United States, every one of whom speak in the strongest terms of praise of their great merits. They are rapidly taking the place of every other Female Remedy, and are considered by all who know and test them, as the surest, safest, and most infallible preparation in the world, for the cure of all female complaints, the removal of all obstructions of nature, and the promotion of health regularity and strength. Explicit directions stating when they may be used, and explaining when and why they should not, nor could not be used without producing effects contrary to nature's chosen laws, will be found carefully folded around each bottle, with the written signature of JOHN L. LYON, without which none are genuine.

Prepared by Dr. JOHN L. LYON, 195 Chapel Street, New Haven, Conn., who can be consulted either personally, or by mail, (enclosing stamp) concerning all private diseases and female weakness.—Price $1,50 per bottle.

GROVESTEEN & CO.,

PIANO FORTE MANUFACTURERS

499 BROADWAY NEW YORK.

The attention of the Public and the trade is invited to our New Scale 7 Octave rosewood Piano Fortes, which for volume and purity of tone are unrivalled by any hitherto offered in this market. They contain all the modern improvements, French, Grand action, Harp Pedal, Iron Frame, Over-Strung Bass, &c., and each instrument being made under the personal supervision of Mr. J. H. Grovesteen, who has had a practical experience of over 30 years in their manufacture, is fully warranted in every particular.

The "Grovesteen Piano Forte" received the highest award of merit over all others at the Celebrated World's Fair!

There were exhibited instruments from the best makers of London, Paris, Germany, Philadelphia, Baltimore, Boston and New York; and also at the American Institute for five successive years, the gold and silver medals from both of which can be seen at our ware-room.

By the introduction of improvements we make a still more perfect Piano Forte, and by manufacturing largely, with a strictly cash system, are enabled to offer these instruments at a price which will preclude all competition.
