What the Press say of us

"It bears on its face the stamp of an honest business transaction, and we doubt not that the liberal offer will speedily reach the number required to secure an early distribution.—*Easton (Pa.) Journal*, August, 1st 1866.

"The plan is a good one, and the inducements unequalled. No distribution guarantees more general satisfaction than this one, and it is no wonder the people patronize it.—*Dansville (N. Y.) Advertiser*, Aug. 2 1866.

"The proprietors of a Great Matinee in New York City, promises cash and other inducements enough to set every body crazy after a ticket to fortune. Everybody, of course, cannot win, but somebody must, and the lucky one will make a fortune.—*Corunna (Mich.) American*, aug. 3 1866.

"We are not partial to so called Gift Enterprises because many of them are gotten up on false or fallacious speculations; but when, as in the present instance, they are found to be on a sound basis, and when the character of the parties engaged, and the description of prizes present satisfactory inducements to the public, we cannot refuse to wish the distribution full success.—*Warren (Ohio) Constitution.*

"If we can add to them a bonus of $50,000, or a nice fortune in a night, we think we can, by expending a few dollars in stamps for advertising.—*Gettysburg (Pa) Telegraph.*

"False Heart never won fair lady," and a lucky hit will fetch a man up in the world. This is the consideration that induces people to "try their luck" and we hope the "fairest may win." The enterprise appears and promises the integrity of distribution under the supervision of a chosen committee.—*City of Appleton (Wis.) Crescent*, Aug. 31, 1866.

KNOW THY DESTINY!

MADAME E. F. TAORNTON, the great English Astrologist, Clairvoyant, and Psychometrician, who has astonished the scientific classes of the Old world, has now located herself at Hudson, N. Y. Madam Thornton possesses such wonderful powers of second sight, as to enable her to impart knowledge of the greatest importance to the single or married of either sex. While in a state of trance, she delineates the very features of the person you are to marry, and by the aid of an instrument of intense power, known as the Psychometrope, guarantees to produce a life-like picture of the future husband or wife of the applicant, together with date of marriage, position in life, leading traits of character &c. This is no humbug, as thousands of testimonials can assert. She will send, when desired, a certified certificate, or written guarantee, that the picture is what it purports to be. By enclosing a small lock of hair, and stating place of birth, age, disposition and complexion, and enclosing 50 cents and stamped envelope addressed to yourself, you will receive the picture and desired information by return mail. GREENBACKS

ARE

GOOD!

BUT

BOBACK'S STOMACH BITTERS, after years of experience and trial, have proven to be the best remedy extant for all complaints where a tonic and stimulant are required. They never fail to strengthen the weak, impart vigor to the strong, and in all respects restore shattered and broken-down constitutions. No remedy has ever received with so much favor as Boback's Stomach Bitters. In Chicago

OVER **56,000** bottles were sold by one druggist in the past year. It is admitted by our most learned physicians that Dr. BOBACK'S STOMACH BITTERS combine the properties of a gentle laxative, an efficient and delicious agent, and the best stomachic known to the world. BOBACK'S BITTERS should be used by convalescents to strengthen the prostration which always follows acute disease. In the

BILIOUS districts of the West and South there has, for a long time, been much needed an antidote of STOMACH BITTERS, which, if taken in proper quantities, and at the proper time, is a sure preventive of Bilious Fever and Ague, Liver Complaint, Dyspepsia, Indigestion, Jaundice, Kidney Complaint, and all diseases of similar nature; and are better as a preventive for bilious derangement, regulating

AND strengthening the system, and giving tone to the digestive organs, than any other known remedy. Now the war is over, there will be thousands seeking homes in the South. No person who values his life should go there without having constantly at hand the BITTERS, as a safeguard against miasma and malaria engendered by marshes and polluted water. Thousands of residents of the rank river-bottom

COUNTIES of the West and South in the valley of the Mississippi and tributaries, should provide themselves with the BITTERS. There is probably no one disease with which mankind are afflicted which is the source of so many

ailments as dyspepsia, or as it is more commonly called Sour Stomach, and there is no more certain remedy than Boback's Stomach Bitters. They are never known to fail.

KING CHOLERA has always been much dreaded by the public, and people have resorted to all manner of medicines to arrest the progress, but with little success. A sure and preventive is to be found in the use of Dr. BOBACK'S SCANDINAVIAN REMEDIES. Keep the bowels open with the Pills, and invigorate the system by free use of the Stomach Bitters, or, if the blood be thin, use the Purifier.

SUCH an invaluable remedy should be kept in every family. Keep the system in full vigor and nothing is to be feared from disease or cholera. THE ONLY RELIABLE. Be not be deceived by purchasing any of the quack nostrums under the various names of Bitters. Purchase none other but Dr. BOBACK'S STOMACH BITTERS, which are compounded of the purest drugs, and in which the afflicted can rely.

As the disease becomes chronic, the discharge are increased in quantity and changed in quality they are now thick and heavy, and are removed by coughing off. The secretions are offensive, causing a bad breath; the voice thick and nasal; the eyes are weak; the sense of smell is lessened or destroyed; deafness frequently takes place.

Another common and important system of Catarrh is, that the person is obliged to clear his throat in the morning of a slime or slimy mucus, which has fallen from the head during the night. When this takes place, the person may be sure that this disease is on its way to the lungs, and should lose no time in arresting it.

The above are but few of the many Catarrhal symptoms. Write to our Laboratory for our pamphlet containing fully all symptoms; it will be sent free to all applicants. Also directions where to procure the Remedy.

We are receiving letters from all parts of the Union, and also numerous testimonials from those using it, bearing the evidence of its infallible merits.

This remedy contains no Mineral or Poisonous Ingredients, but is prepared from vegetable extracts Exclusively; therefore it is Perfectly Harmless, even to the most tender and delicate child.

Call For Seelye's Catarrh Remedy, and take no other. If not sold by druggists in your vicinity, they will order it for you. Price $2.00 per bottle.

All persons suffering with any affections of the Nose, Throat or Lungs, should write at once for our pamphlet fully describing all symptoms pertaining to the above diseases.
