Exchange—Bills—Quiet at 4.81½; demand, ...

Stocks—Less active during the forenoon than during the same time Saturday, and although feverish and unsettled, were on the whole firm, and the net result of the fluctuations up to 12:30 was an advance of ½@1¾ per cent on the majority of the active stocks, and ...rices at 12:30 were at the highest for the morning. Between half past twelve and two o'clock the market was generally dull and lower. In the last hour the market became more active and decidedly strong, and the highest prices of the day were generally made. The advances ranged from ¼ to 1¾ per cent, the latter being Northern Pacific preferred, to 64¾, with 1¼ on Northwestern, to 120¼, and ¾@¾ per cent on other stocks. Compared with Saturday's closing, prices show an advance of ¼ to 2¼ per cent, the latter being Northern Pacific. The following notice was sent to the stock exchange this morning by Geo. W. Ballou & Co.:

"We take pleasure in announcing our resumption, and desire to give notice that all unsettled claims against this house will be paid in full on presentation. Very respectfully,
"GEO. W. BALLOU & CO."

It is claimed by parties interested in Pittsburg & Western that reports circulated a few weeks ago and pronounced false, but now started again, are circulated for the purpose of shaking out some of the stockholders, so that the control of the road can be easily acquired by others.
