GREENBACKS ARE GOOD!

BUT

ROBACK'S STOMACH BITTERS, after years of experience and trial, have proven to be the best remedy extant for all complaints where a tonic and stimulant are required. They never fail to strengthen the weak, impart vigor to the strong, and in all respects restore shattered and broken-down constitutions. No remedy has been manufactured with as much favor as Roback's Stomach Bitters. In Chicago OVER 50,000 bottles were sold by one drug-house in the past year. It is admitted by our most learned physicians that Dr. ROBACK'S STOMACH BITTERS combine the properties of a gentle laxative, an efficient anti-bilious agent, and the best stomachic known to the world. ROBACK'S BITTERS should be used by convalescents to strengthen the prostration which always follows acute disease. In the BILIOUS districts of the West and South there has, for a long time, been much needed an article of STOMACH BITTERS, which, if taken in proper quantities, and at the proper time, are a sure preventive of Bilious Fever, Ague and Ague, Liver Complaint, Dyspepsia, Indigestion, Jaundice, Kidney Complaint, and all diseases of similar nature; and are better as a preventive for bilious derangement, regulating AND strengthening the system, and giving tone to the digestive organs, than any other known remedy. Now that navigation is open, there will be immediate inquiry for the boats, and there without having constantly at hand the BITTERS, as a preventive against fever and ague and bilious fever. Travelers and all residents of the rank river-bottoms COUNTRIES of the West and South, and the valleys of the Mississippi and its tributaries, should provide themselves with the BITTERS. There is probably no compliment we can pay which mankind are affected which is the source of so many diseases as Dyspepsia, or as it is more familiarly called Sour Stomach, and there is no more certain remedy than Roback's Stomach Bitters. They are never known to fail. KING CHOLERA has always been much dreaded by the public, and people have resorted to all manner of medicines to arrest the progress, but with little success. A sure cure and preventive is to be found in the use of Dr. ROBACK'S SCANDINAVIAN HERBINES. Keep the bowels open with the Pills, and invigorate the system by the use of the STOMACH BITTERS. If the blood be thin, use the SUCH an invaluable remedy should be kept in every family. Keep the system in full vigor, and nothing is to be feared from disease or climate. THE OLD RELIABLE. Do not be deceived by purchasing any of the quack nostrums under the various names of Bitters. Purchase none other but Dr. ROBACK'S STOMACH BITTERS, which are compounded of the purest drugs, and in which the afflicted can rely.

THE SILVER SKIRT!

More Durable,

More Elastic,
More Graceful!
And will keep its Shape and retain its Place than any other Skirt.

This beautiful style of Skirt (Patented March 7, 1865,) was awarded by the GREAT AMERICAN INSTITUTE FAIR, held in New York, October, 1865, a

SILVER MEDAL!

The Highest Premium ever given for a Hoop Skirt

The Steel Springs are wound with a tin plated, wire (in place of a cotton covering) which will not wear off or become soiled, and the whole Skirt may be *washed without injury* or fear of rusting, and will be as good as new.

The Combination Silver Skirt!

This invention combines with the ordinary cotton Skirt the advantages of our SILVER SKIRT; the bottom hoops are the same authors used in the Silver Skirt, the covering of which cannot wear off, while the upper ones are covered with cotton. No lady, having once worn one of our Skirts, will be willing to wear any other, as the lower hoops of all other kinds are soon injured and soiled.

The best materials are used in their construction and from their durability and neatness they are destined to become

Throat Affections

Are more frequently than otherwise caused by a thick, slimy mucus, falling from the head, especially during the night, and resulting from Catarrh, and are cured by

DR, SEELYE'S

LIQUID CATARRH REMEDY

SYMPTOM:

The symptoms of Catarrh are at first very slight. Persons find they have a cold, that they have frequently attacks, and are more sensitive to the changes of temperature. In this condition the nose may be dry, or a slight discharge, thin and acrid, afterwards thick and adhesive, may ensue.

As the disease becomes chronic, the discharges are increased in quantity and changed in quality; they are now thick and heavy, and are hawked or coughed off. The secretions are offensive, causing a bad breath: the voice thick and nasal: the eyes are weak; the sense of smell is lessened or destroyed; deafness frequently takes place.

Another common and important system of Catarrh is, that the person is obliged to clear his throat in the morning of a thick or slimy mucous, which has fallen from the head during the night. When his takes place, the person may be sure that this disease is on its way to the lungs, and should lose no time in arresting it.

The above are but few of the many Catarrhal symptoms. Write to our Laboratory for our pamphlet describing fully all symptoms; it will be sent Free to any address. Also directions where to procure the medicine.

We are receiving letters from all parts of the Union, and also numerous testimonials from those using it, bearing the evidence of its infallible merits.

This remedy contains no Mineral or Poisonous Ingredients, but is prepared from vegetable extracts Exclusively; therefore it is Perfectly Harmless, even to the most tender and delicate child.

Call For Seelye's Catarrh Remedy, and take no other. If not sold by druggists in your vicinity, they will order it for you. Price $2.00 per bottel.

All persons suffering with any affections of the Head, Throat or Lungs, should write at once for our pamphlet fully describing all symptoms pertaining to the above diseases.

DUPLEX ELLIPTIC

(OR DOUBLE SPRING)

SKIRT.

The Wonderful Flexibility and great Comfort and Pleasure to any Lady wearing the Duplex Elliptic Skirt will be experienced particularly in all Crowded Assemblies, Operas, Carriages, Railroad Cars, Church Pews, Arm Chairs, for Promenade and House Dress, as the Skirt can be folded when in use to occupy a small place as easily and conveniently as a Silk or Muslin Dress, an invaluable quality in crinoline, not found in any Single Spring Skirt.

A Lady, having enjoyed the pleasure, comfort and great convenience of wearing the Duplex Elliptic Steel Spring Skirt for a single day, will never afterwards willingly dispense with their use. For Children, Misses and Young Ladies they are superior to all others.

They will not bend or break like the Single Spring, but will preserve their perfect and graceful shape where three or four ordinary Skirts will have been thrown aside as useless. The Hoops are covered with double, reinforced threads, and the bottom rods are not only double springs, but twice (or double) covered; preventing them from wearing out when dragging down stoops, stairs, &c.

The Duplex Elliptic is a great favorite with all the ladies and is universally recommended by all the Fashionable Magazines as the standard skirt of the Fashionable World.

To enjoy the following inestimable advantages in Crinoline, viz., superior quality, perfect manufacture, stylish shape and finish, flexibility, durability, comfort and economy, enquire for J. W. Bradley's Duplex Elliptic or Double Spring Skirt, and be sure you get the genuine article.

CAUTION.—To guard against imposition be particular to notice that skirts offered as "DUPLEX" have the red ink stamp, viz., "J. W. Bradley's Duplex Elliptic Steel Springs," upon the waistband—none other are genuine. Also notice that every hoop will admit a pin being passed through the centre, thus revealing the two (or double) springs braided together therein, which is the secret of their flexibility and strength, and a combination not to be found in any other skirt.

For sale in all stores where First Class skirts are sold throughout the United States and elsewhere.
