HALL'S
Vegetable Sicilian Hair Renewer

Has stood the test of seven years before the public; and no preparation for the hair has yet been discovered that will produce the same beneficial results. It is an entirely new scientific discovery, combining many of the most powerful and restorative agents in the **VEGETABLE KINGDOM.** *It restores* **GRAY HAIR TO ITS ORIGINAL YOUTHFUL COLOR.** *It makes the scalp white and clean; cures dandruff and humors, and falling out of the hair; and will make it grow upon bald heads, except in very aged persons, as it furnishes the nutritive principle by which the hair is nourished and supported. It makes the hair moist, soft, and glossy, and is unsurpassed as a* **HAIR DRESSING.** *It is the cheapest preparation ever offered to the public, as one bottle will accomplish more and last longer than three bottles of any other preparation.*

It is recommended and used by the First Medical Authority.

The wonderful results produced by our Sicilian Hair Renewer have induced many to manufacture preparations for the Hair, under various names; and, in order to induce the trade and the public to purchase their compounds, they have resorted to falsehood, by claiming they were former partners, or had some connection with our Mr. Hall, and their preparation was similar to ours. Do not be deceived by them. Purchase the original: it has never yet been equalled. Our Treatise on the Hair, with certificates, sent free by mail. See that each bottle has our private Revenue Stamp over the top of the bottle. All others are imitations.

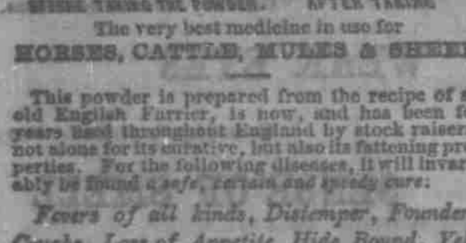
PARKER'S
CORDIAL CONDITION POWDER



BEFORE TAKING THE POWDER. AFTER TAKING.

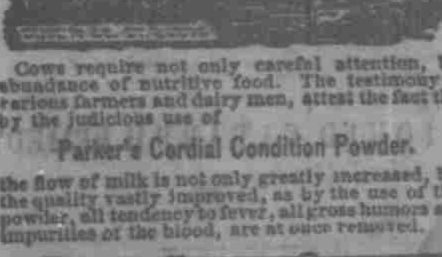
The very best medicine in use for
HORSES, CATTLE, MULES & SHEEP.

This powder is prepared from the recipe of an old English Farrier, is now, and has been for years used throughout England by stock raisers, not alone for its curative, but also its fattening properties. For the following diseases, it will invariably be found *a safe, certain and speedy cure:*

Fevers of all kinds, Distemper, Founder, Coughs, Loss of Appetite, Hide Bound, Yellow Water, as also all diseases arising from a disordered Stomach, or an impure state of the Blood.

PARKER'S CORDIAL CONDITION POWDER.

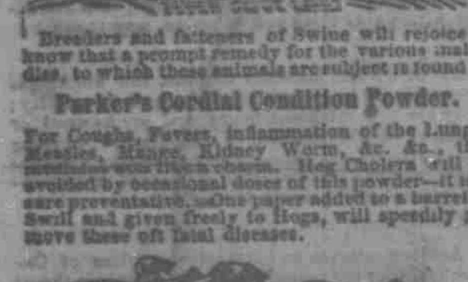
As its name indicates, is a gentle stimulant. Unlike the many articles sold throughout the country for the diseases of Horses and Cattle, this preparation is entirely of vegetable origin—no minerals enter into its composition. Being composed entirely of aromatic seeds, herbs, roots and barks, it may be used with full confidence as to its entire safety, certainty, and mildness of operation. It cleanses the Blood, loosens the Hide, gives to the Skin a smooth and glossy appearance, removes all bad humors, and by its strengthening, life-giving properties, infuses into the debilitated, broken down animal, action and spirit, and restores to him all his natural grace and beauty.



Cows require not only careful attention, but abundance of nutritive food. The testimony of various farmers and dairy men, attest the fact that by the judicious use of

Parker's Cordial Condition Powder,

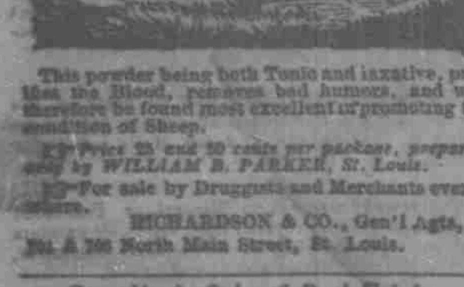
the flow of milk is not only greatly increased, but the quality vastly improved, as by the use of this powder, all tendency to fever, all gross humors and impurities of the blood, are at once removed.



Breeders and fatteners of Swine will rejoice to know that a prompt remedy for the various maladies, to which these animals are subject is found in

Parker's Cordial Condition Powder.

For Coughs, Fevers, inflammation of the Lungs, Measles, Mange, Kidney Worm, &c. &c., this medicine ... Hog Cholera will be avoided by occasional doses of this powder—it is a sure preventative. One paper added to a barrel of Swill and given freely to Hogs, will speedily remove these oft fatal diseases.



This powder being both Tonic and laxative, purifies the Blood, removes bad humors, and will therefore be found most excellent in promoting the condition of Sheep.

Price 25 and 50 cents per package, prepared only by WILLIAM B. PARKER, St. Louis.

LATEST FASHIONS DEMAND
J. W. Bradley's celebrated Patent
DUPLEX ELLIPTIC
(OR DOUBLE SPRING)
SKIRT.

The Wonderful Flexibility and great Comfort and Pleasure to any Lady wearing the Duplex Elliptic Skirt will be experienced particularly in all crowded Assemblies, Operas, Carriages, Railroad Cars, Church Pews, Arm Chairs, for Promenade and House Dress, as the Skirt can be folded when in use to occupy a small place as easily and conveniently as a Silk or Muslin Dress, an invaluable quality in crinoline, not found in any Single Spring Skirt.

A Lady, having enjoyed the pleasure, comfort and great convenience of wearing the Duplex Elliptic Steel Spring Skirt for a single day, will never afterwards willingly dispense with their use. For Children, Misses and Young Ladies they are superior to all others.

They will not bend or break like the Single Spring, but will preserve their perfect and graceful shape where three or four ordinary Skirts will have been thrown aside as useless. The Hoops are covered with double and twisted thread, and the bottom rods are not only double springs, but twice (or double) covered; preventing them from wearing out when dragging down stoops, stairs, &c.

The Duplex Elliptic is a great favorite with all the ladies and is universally recommended by all the Fashionable Magazines as the standard skirt of the Fashionable World.

To enjoy the following inestimable advantages in Crinoline, viz., superior quality, perfect manufacture, stylish shape and finish, flexibility, durability, comfort and economy, enquire for J. W. Bradley's Duplex Elliptic or Double Spring Skirt, and be sure you get the genuine article.

CAUTION.—To guard against imposition be particular to notice that skirts offered as "DUPLEX" have the red ink stamp, viz., "J. W. Bradley's Duplex Elliptic Steel Springs," upon the waistband—none other are genuine. Also notice that every hoop will admit a pin being passed through the centre, thus revealing the two (or double) springs braided together therein, which is the secret of their flexibility and strength, and a combination not to be found in any other skirt.

For sale in all stores where First Class skirts are sold throughout the United States and elsewhere.
