FINANCE AND COMMERCE.

FINANCIAL.

NEW YORK, October 11.

Money—Easy at 2@2½ per cent; closed offered at 2 per cent.

Prime Paper—6@7 per cent.

Exchange bills—Steady at 4.81⅞; demand, 4.84½.

Governments—Closed strong.

Transactions in West Shore and Buffalo first mortgage bonds, aggregate 948,000 shares, many foreign bankers buying. Stocks were weak throughout the greater part of the day. At the opening there was a bear demonstration against southwesterns. The Texas Pacific was the greatest sufferer. After this decline the market continued weak with unimportant rallies at intervals until 2 o'clock when a fair buying movement set in and prices hardened. Villard's and Union Pacific were in good demand. An advance of ¼ to 1⅜ took place shortly before the close. Denver, Oregon Trans-Continental, Texas Pacific and Kansas & Texas were heavy, the first named selling down to 24½, the lowest point touched. The remainder of the list was firm, closing generally at or near the best of the day. Among the reports current was one, which gained credence, to the effect that large blocks of Wabash, Texas Pacific and Kansas & Texas were being transferred to Gould's name. An officially announced syndicate, headed by Drexel, Morgan & Co., Winslow, Lanier & Co. and August Belmont & Co., have made a proposition to the Northern Pacific railroad company to purchase eighteen millions of second mortgage bonds authorized to be negotiated. The syndicate is composed practically of the same parties who negotiated the first mortgage bonds and includes in addition to the above, Drexel & Co., of Philadelphia, J. S. Morgan & Co., of London, J. and W. Seligman & Co., L. Von Hoffman & Co., Robt. Lenox Kennedy, C. B. Wright and Frederick Billings. The finance committee of the Northern Pacific road will act upon the proposition Saturday.
