The attention of our readers is called to the Advertisements in another column of Messrs. Berger, Shutts & Co., Chemists, Troy, N. Y. They are manufacturers of, and agents for, some of the most valuable Toilet preparations in use. By their use all may possess a clear, smooth skin, or a healthy and luxuriant growth of hair upon the head or face. Those of our readers having use for anything of the kind, would do well to patronize them.

Show me a man of sour, morose disposition, one who entertains good will towards none, and I will show you a dyspeptic. Dyspepsia is the bluest of all diseases. Rev. Mr. Aiken testifies that Coe's Dyspepsia cured him after 15 years standing

Messrs. Clark & Co., Chemists, Syracuse, N. Y., would call attention to their advertisements in another column, headed "Reparator Capilli," "Crisper Coma," and "Circassian Balm." These, undoubtedly, are the most perfect and efficacious articles of the kind ever offered the American Public. To unbelievers, we would say, "try them and be convinced."

Valuable Advice for the Afflicted. Dr Strickland, in reply to numerous applications for advice, wishes to inform those who are afflicted, that they may consult him on all Acute or Chronical Diseases by letter, stating the age, symptoms, &c., with a fee of two dollars enclosed. ASTROLOGY.
The World Astonished

AT THE WONDERFUL REVELATIONS MADE BY THE GREAT ASTROLOGIST,

Madame H. A. Perrigo

She reveals secrets no mortal ever knew. She restores to happiness those who, from doleful events, catastrophes, crosses in love, loss of relations and friends, loss of money, &c., have become despondent. She brings together those long separated, gives information concerning absent friends or lovers, restores lost or stolen property, tells you the business you are best qualified to pursue and in what you will be most successful, causes speedy marriages and tells you the very day you will marry, gives you the name, likeness and characteristics of the person. She reads your very thoughts, and by her almost supernatural powers unveils the dark and hidden mysteries of the future.—From the stars we see in the firmament the malefic stars that overcome or predominate in the confirmation—from the aspects and positions of the planets and the fixed stars in the heavens at the time of birth, she deduces the future destiny of man. Fail not to consult the greatest Astrologist on earth. It costs you but a trifle, and you may never again have so favorable an opportunity. Consultation fee, with likeness and all desired information, $1. Parties living at a distance can consult the Madame by mail with equal safety and satisfaction to themselves, as if in person. A full and explicit chart, written out, with all inquiries answered and likeness enclosed, sent by mail on receipt of above mentioned. The strictest secrecy will maintained, and all correspondence returned or destroyed. References of the highest order furnished those desiring them. Write plainly the day of the month and year in which you were born, enclosing a small lock of hair.

GROVESTEEN, who has a practical experimence of over thirty years in their manufacture, is fully warranted in every particular.

The Grovesteen PIANO FORTE

Received the highest award of merit at the celebrated world's Fair, where were exhibited instruments from the best makers of London, Paris, Germany, Philadelphia, Boston, Baltimore and New York; and also at the American Institute for five successive years, the GOLD and SILVER MEDALS from both of which can be seen at our ware-rooms.

By the introduction of improvements we make a still more perfect Piano forte, and by manufacturing largely, with a strictly cash system, are enabled to offer these instruments at a price which will preclude all competition.

Our prices are from $100 to $300 cheaper than any first class Piano-forte.

Reparator Capilli.

Throw away your false frizzes, your switches, your wig Destructive of comfort, and not worth a fig;
Come aged, come youthful, come ugly and fair,
And rejoice in your own luxuriant hair.

REPARATOR CAPILLI,

For restoring hair upon bald heads (from whatever cause it may have fallen out) and forcing a growth of hair upon the face it has no equal. It will force the beard to grow upon the smoothest face in from the five to eight weeks, or hair upon bald heads in from two to three months. A few ignorant practitioners have asserted that there is nothing that will force or hasten the growth of the hair or beard. Their assertions are false, as thousands of living witnesses (from their own experience) can bear witness. But many will say how are we to distinguish the genuine from the spurious? It certainly is difficult, as nine-tenths of the different Preparations advertised for the hair and beard are entirely worthless and you may have already thrown away large amounts in their purchase. To such we would say, try the Reparator Capilli; it will cost you nothing unless it fully comes up to our representations If your Druggist does not keep it, send one dollar and we will forward it, post paid, together with a receipt for the money, which will be returned you on application, providing entire satisfaction is not given.

A Young Lady returning to her country home, after a sojourn of a few months in the City, was hardly recognised by her friends. In place of a coarse, flushed face, she had a soft ruby complexion of almost marble smoothness and instead of twenty-three she really appeared but eighteen. Upon inquiry as to the cause of so great a change she plainly told them that she used the CIRCASSIAN BALM, and considered it an invaluable acquisition to any Lady's toilet. By its use any Lady or Gentleman can improve their personal appearance in hundred fold. It is simple in its combination, as Nature herself is simple, yet unsurpassed in its efficacy in drawing impurities from, also healing and beautifying the skin and complexion. By its direct action on the cuticle it draws from it all its impurities, kindly healing the same, and leaving the surface as Nature intended it should be, clear, soft, smooth and beautiful Price $1, sent by Mail or Express, on receipt of an order by W.
